*Proceedings of the Madras Government, Revenue Department,
29th June 1861.*

No. 340. Read the following Proceedings of the Board of Revenue, dated 6th April 1861, No. 1,765:—

Read the following letter from G. THORNHILL, Esq., Acting Collector of the Kistna District, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Masulipatam, 11th March 1861, No. 58.

SIR,

1. With reference to the Board's Order, No. 1,033, dated 25th ultimo, calling for fuller information regarding the Mangalagiri Choultry, I have the honor to state that the so-called shed, which is set apart for Pariahs and Mussulmen, is a capacious building, with mud walls and tiled roof, but open in front, affording good shelter and accommodation for a large number of travellers.

2. I did not retain a copy of the plan forwarded with my letter of the 21st December 1860, but if the Board will refer to that, the dimensions will be found to be laid down.

3. The interior of the main building is retained for Hindoos of higher castes only, but the outer rooms and verandas are used by all classes except Pariahs, and ample accommodation is afforded to the latter in the separate building styled a shed.

4. Mangalagiri is 12 miles from Guntoor, and 6 miles from Bezoarah, with the river Kistna intervening, and is a regular halting stage for travellers on the high northern road.

5. The Choultry is, therefore, a real accommodation to the public, and as all classes are comfortably provided for, I trust the Government will see fit to modify their Order, and admit it to the benefit of an endowment.

Ordered to be submitted to Government, with reference to their Order, No. 403, dated 20th February 1861, with the Board's recommendation that an endowment be granted, as it appears that there is fair accommodation for Mussulmen and Hindoos of the lower castes, and as the Choultry is most conveniently situated as a halting place.

OFFICIAL MEMORANDUM.

The Secretary to the Board of Revenue has the honor to state with reference to the Official Memorandum from the Deputy Secretary to Government, dated 14th May 1861, No. 156, that the Board concur in the recommendation of the Collector of the Kistna District for the assignment of waste land of the maximum assessment of 60 Rupees, for the support of the Mangalagiri Choultry.

REVENUE BOARD OFFICE,
CHEPAUK,
5th June 1861.

(By Order.)

(Signed) W. HUDLESTON, *Secretary.*

Ordered that the following letter be despatched.

No. 342. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to W. GREY, Esq., Secretary to the Government of India, dated 29th June 1861, No. 1,298.

SIR,

1. I am directed to submit, for the favorable consideration and orders of the Government of India, an application for the grant of waste land, bearing an annual assessment of Rupees 60, in endowment of a Choultry erected about fourteen years ago at a cost (it is believed)

*Proceedings of the Madras Government, Revenue Department,

of Rupees 4,000, at Mangalagiri, a town in the Kistna District, on the Northern Trunk Road thirteen miles north of Guntoor.

2. The plan of the building does not correspond with that required by the existing rules neither was the sanction of the Board of Revenue obtained for its erection. These omissions arose from the fact that the founder did not contemplate its endowment by Government. The present application is made by his widow, whose circumstances do not permit her to maintain the establishment of 6 Rupees per mensem, required for its security, cleanliness, lighting, &c.

3. This Government at first thought that the accommodation for classes other than high caste Hindoos was not sufficient, but it was subsequently represented that all classes are comfortably provided for, and as the Choultry is stated to be real accommodation to the public, the Board of Revenue again forwarded the case with their favorable recommendation.

Proceedings Board of Revenue, 6th April 1861, No. 1,765.
Memorandum do. do. 5th June 1861.

4. The papers bearing on the subject, as noted in the margin, are forwarded for inspection, together with the plan of the building, which is requested to be returned.
