*Proceedings of the Madras Government, Revenue Department,
2nd July 1861.*

No. 9. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 11th May 1861, No. 768 :—

SIR,

1. Referring to my proposal for the Settlement of the Western Delta of the Godavery District, submitted through the Board of Revenue on 27th February last, No. 323, and to paragraph 22 of my last annual report, dated 7th March, No. 372, in which it is calculated that about Rupees 5 a square mile will be required for writing the English and Vernacular Settlement Registers, ordered by Government in Proceedings, dated 17th December 1860, No. 2,429, I have the honor to request that, on sanction being conveyed for the Settlement of the Western Delta, I may be authorized to incur a charge to the extent of Rupees 4,250 for writing the Registers for that tract which contains about 850 square miles, this expenditure being charged to the general funds of the Settlement Department.

2. The fields being small in this locality, and consequently the number of entries per square mile being more numerous than the average generally, a larger expenditure may be found necessary here, particularly as this is the commencement of the District.

3. The Establishment required by the Deputy Director for completing the Settlement itself will be provided out of that sanctioned for the Godavery and Nellore parties.

No. 10. ORDER THEREON, 2nd July 1861, No. 1,309.

1. The Government sanction the expenditure of Rupees (4,250) four thousand two hundred and fifty, for writing the Registers referred to.

2. The Director of Revenue Settlement will report whether this charge has been provided for in the Budget for 1861-62 and if not, whether it can be met without exceeding the Budget allotment of the Department.

(Signed) J. D. SIM,
Secretary to Government.
