*Proceedings of the Madras Government, Revenue Department,
2nd July 1861.*

No. 13. Read the following letter from CLEMENT DALE, Esq., Receiver of the Carnatic Property, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 29th June 1861, No. 107 :—

SIR,

25th June 1861, No. 220.

1. I have the honor to acknowledge the receipt of your Official Memorandum, under the date and number noted in the margin, and to inform you that, as requested, I have had the 84 Title Deeds which accompanied examined, and find the description of the several premises is correctly stated, as taken from the printed paper marked No. 2, forwarded with my letter to your address of the 11th instant, No. 92, and which I now have the honor to return, together with the 84 Title Deeds for the purpose of the latter being signed and sealed.

2. I regret I have no information from which I can fill up the columns left blank; the returns prepared by the servants of the late Nabob, and forwarded to me for my guidance, do not as a general rule mention the names of the villages, and in no instance do they name the Tálug. I have, moreover, referred to a statement made up by the then Acting Collector in November 1858, headed "Statement showing the property mentioned in the list received from Government, and furnishing the required information given by the Nawab's servants as to the occupation and present state of the buildings belonging to the late Nawab in the District of Trichinopoly;" but that statement even does not mention the names of the villages or of the Tálugs. Doubtless Mr. McDonell could give the names without difficulty or delay.

No. 14. ORDER THEREON, 2nd July 1861, No. 1,311.

Mr. McDonell, who is now at Madras, will be requested to state whether his personal knowledge of the localities will enable him to say in what Tálug and village each lot is situated. If not, a reference must be made to the Head Assistant in charge.

(Signed) J. D. SIM,

Secretary to Government.

Sir,
 I have the honor to acknowledge the receipt of your
 official Memorandum under the date and
 number noted in the margin; and to inform
 you that, as requested, I have had the 84 Title Deeds which
 accompanied examined, and find the description of the several
 Premises is correctly stated, as taken from the printed paper
 marked A^o 2 forwarded with my letter to your address of
 the 11th Instant A^o 92, and which I now have the honor to return
 together with the 84 Title Deeds for the purpose of the latter being
 signed and sealed.

2. Regret I have no information from which I can fill up the columns left blank; the returns prepared by the servants of the late Nabob, and forwarded to me for my guidance, do not as a general rule mention the names of the Villages, and in no instance do they name the Taluq. I have moreover referred to a statement made up by the ^{then} acting Collector in November 1852, headed "Statement shewing the property mentioned in the list received from Government, and furnishing the required information given by the Nawab's servants as to the occupation and present state of the Buildings belonging to the late Nawab in the district of Trichinopoly" but that statement even does not mention

I have the honor to be
Sir.
