*Proceedings of the Madras Government, Revenue Department,
6th July 1861.*

No. 91. Read the following Proceedings of the Board of Revenue, dated 19th June 1861,
No. 3,187:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to W. HUDLESTON,
Esq., Secretary to the Board of Revenue, Chepauk, dated 6th June 1861, No. 241.

SIR,

1. I have the honor to report that the Ábkári Farm of this District, including the Arrack and Toddy rents, for a period of five years from Faslis 1271 to 1275, was put up to public sale at the Huzúr Kacheri, yesterday the 5th instant, before myself, at the upset price of Rupees 37,000, being the average rent of seven years from Faslis 1264 to 1270; and after a brisk competition it was knocked down at the large annual rent of Rupees 48,500.

2. The accompanying Statement exhibits the amount of the rent for Fasli 1270, and the aggregate amount obtained for the above five succeeding years, as well as the amount for each of these years, as compared with that of the year 1270, together with the names of the successful bidders. It will also be seen from this Statement, that the sum now obtained exceeds that of the previous Ábkári rent by Rupees 8,150.

3. With reference to Clause 6 of the Advertisement annexed to the Board's Circular of 3rd May last, the successful bidders have deposited in cash Rupees 1,750 inclusive of the deposits made under Clauses 4 and 5. The balance of Rupees 9,030 is to be deposited on or before the 12th instant, to make up Rupees 10,780, being the Kists for the last two months of the year, viz., May and June 1862. As soon as this sum is paid, I shall report the same to the Board.

1. Ordered to be submitted for the information of Government.

2. The Board do not understand why the upset price was fixed at a lower rate than the average annual rent of the previous five years, as the Statement accompanying the Collector's present letter seems to show that there was a rent for that period, which was not before explained in proposing the upset price. The deposit of two months' Kist is of course to remain in the Treasury until the expiry of the lease and not merely to the close of 1862.
