*Proceedings of the Madras Government, Revenue Department,
6th July 1861.*

No. 99. Read the following letter from J. OUCHTERLONY, Esq., to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 2nd May 1861:—

SIR,

1. Having been asked to send a scheme to England for the construction of a Joint Stock Company to work a portion of the land in my valley below Naduvattam in the cultivation of Coffee, the same has come under the observation of certain friends of mine, members of the Civil Service, who are desirous to take an interest in a similar investment.

2. I believe that the purchase of shares in a Joint Stock Company of this nature is not contrary to any now existing rule of the service, but, as my friends hesitate from not feeling quite sure on the subject, I am induced to take the liberty of requesting you to be pleased to inform me whether the investment is not allowable at this time.

3. I need not say how additional means thus gained of developing such an industry as Coffee cultivation, must be of direct and indirect benefit to the country, at the same time that it may be hoped it will yield a remunerative interest to those who so invest their capital.

No. 100. ORDER THEREON, 6th July 1861, No. 1,354.

The question raised by Mr. Ouchterlony in this letter having been already settled in the negative in the Proceedings of Government in the Public Department, dated 1st June 1860, No. 804, a copy of those Proceedings will be furnished for that gentleman's information.
