*Proceedings of the Madras Government, Revenue Department,
6th July 1861.*

No. 105. Read the following Proceedings of the Board of Revenue, dated 3rd June 1861,
No. 2,859 :—

Read letter from the Collector of Bellary, dated 26th April 1861, No. 84.
(In Cons. 29th April 1861, No. 2,664.)

Resolved that the statement of receipts and expenditure of the local funds received with
the foregoing letter be submitted to Government, with refer-
ence to their Order, dated 9th January 1861, No. 48, Revenue
Department. It will be seen from the statement that the
Ferry rent and Cattle fine fund are the only sources from
which the income on the local fund is derived. The margi-
nal abstract exhibits the collections and expenditure made on account of the local fund during
the past three official years. The excess expenditure in each year over the receipts was provided
for from the balance at the end of 1857-58 which amounted to Rupees 14,256. The amount
at the credit of the fund at the close of the last official year amounted to Rupees 5,045.

In Cons. 10th January 1861, No. 170.

Order of Sept 20 June
1859 No 813

1. With the view of encouraging the principal provincial towns to apply to be brought under the operation of the Municipal Act, it was resolved in Order of 20 June 1859 (Hans) that whenever funds might be raised locally and voluntarily by the people of a town for municipal purposes, an equal sum would be contributed by Govt out of the local funds.

2. On 14 Dec 50, the B. & F. Co. submitted a Memorial from the inhabitants of Bellary soliciting sanction for the introduction of the Act into that town, and for the annual contribution by Govt of Rs 4000, being a sum equal in amount to that to be raised by the inhabitants. In the Order on this paper, the Board were requested to report approximately the

average annual proceeds and expenditure of the Bellary Local Fund, and the sources from which its income is derived.

3. This information is now supplied. The statement submitted by the Board shows that the ^{local} fund consists mainly of the Ferry rent and cattle pie fund. The collections and expenditure in account of the fund during the past three official years are given as follows.

	Proceeds.	Expenditure
1858/59	7431	10604
1859/60	7413	13376
1860/61	14949	15026

The excess expenditure in each year over the receipts was defrayed from the balance at the end of 1857/58, which amounted to Rs. 14,256, but which at the end of the last official year was only Rs. 3,015.

these efforts to in the Municipal self government and the money say it may I presume he wants to first may, I think, stipulate that the Colr. or Judge should always be on the Committee and its President & ex-officio and the point might be made for a fixed period say 3 years certain & then subject to reconsideration.

There has hitherto been some reluctance in making these grants, arising from the fact, that the Local Funds are chiefly drawn from the agricultural population and from the residents of the large

Lours - Since the
pt. Inver has
late allowed the
Surplus Cattle Fine
to be included
with the Local Fund
and as these are
penalties - & not
voluntary contribu-
tions - pt. may fairly
apply them in
this way.
