*Proceedings of the Madras Government, Revenue Department,
12th July 1861.*

No. 174. Read the following letter from B. A. DALYELL, Esq., Sub-Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Chepauk, 14th June 1861, No. 3,112:—

SIR,

1. With reference to the Proceedings of Government, In Consultation 5th June 1860, No. 2,670. No. 926, dated June 4th 1860, I am directed by the Board of Revenue to report for the information of His Excellency Monsieur D'Ubraye, Governor of the French Establishments in India, that by recent enactments* the import and export duties, whether by sea or land, have been equalized, and are at present levied in accordance with the accompanying Schedules and Tariff. A special exception, however, is temporarily made in favor of importation to, and exports from French Territory in India made by land, in which case duty is only levied on the articles mentioned in the Schedules communicated to the French Government in September 1858.

2. Act VI. of 1848 placed the British and Foreign carrying trade on precisely the same terms, and thus the export duty is not in any way influenced by the flag under which the export is made, and is levied as per annexed Schedules irrespective of destination except only when it may be a British port in India.

3. The reply to the third query will be obtained by a comparison of the annexed Schedule and Tariff with those furnished the French Government in 1858, the former giving the amount of Customs Duty leviable upon all imports into British Indian Territory, whether by sea or land, and irrespective of the flag under which they may have been imported, and the latter showing the articles on which, for the present, the duties are levied when imported by land from French Settlements in India.

4. I am directed by the Board to express their regret that some delay should have been allowed to take place in supplying the information which is now submitted, as the revision of the law relating to Customs Duties may be said to be complete, which would not have been the case had the Proceedings of Government been replied to previous to the issue of the amended Tariff.

—

Ordered that the following letter be despatched.

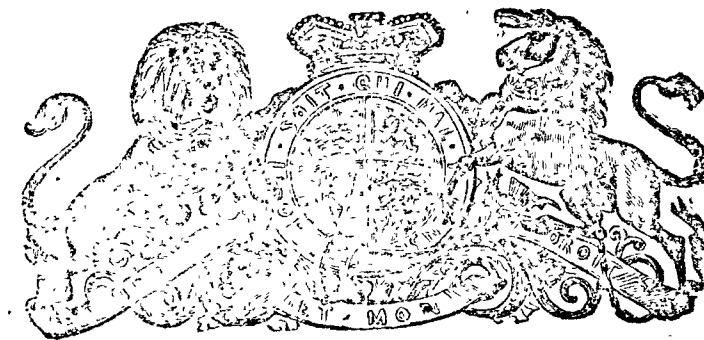

No. 175. From His Excellency Sir W. T. DENISON, Governor of Fort Saint George, to His Excellency M. D'UBRAYE, Governor of the French Establishments in India, &c., &c., &c., dated 12th July 1861, No. 1,392.

SIR,

1. I have the honor to forward to you copy of a communication from the Board of Revenue, dated 14th June 1861, No. 3,112, together with its enclosures, containing the information requested in your Excellency's letter of the 21st May 1860, in regard to the Customs Duties levied by the English Government in this country.

2. The delay which has occurred in meeting your Excellency's wishes has been occasioned by the necessity of awaiting the completion of the changes contemplated and now effected in the Customs Law and Tariff.

Accept, Sir, &c.

V. This Act shall take effect on and after the 12th day of March 1859; and every Collector of Customs and other Officer is hereby indemnified for anything done on or after that day in collecting or enforcing the Duties imposed by this Act or in otherwise carrying into effect the provisions hereof; and no action or other proceeding shall be maintained against any such Collector or other Officer in respect of any thing so done.

 Whereas it is expedient to amend the Law relating to Customs Duties enacted as follows:—

I. From and after the 18th day of February 1860, in lieu of the Customs Duties authorised to be charged in Act VII of 1859 (to alter the Duties of Customs on goods imported or exported by Sea) and XXIII of 1859 (to alter the rates of duty on goods imported or exported by land from certain Foreign Territories into or from the Presidencies of Madras and Bombay respectively,) there shall be levied and collected the Duties as contained in the two Schedules A and B annexed to this Act; provided always that nothing herein contained shall be deemed to alter the existing Duties upon Salt and Opium, or to authorize the levy of Duties in any free Port, or to affect the provisions of Act VI of 1818 (for equalizing the Duties on goods imported and exported on Foreign and British Bottoms, and for abolishing Duties on goods carried from Port to Port in the Territories subject to the Government of the East India Company) and VII of 1818 (to except certain free Ports from the operation of Section III Act No. VI of 1818, and otherwise to amend that Act.)
