MONTHLY OFFICE No. <sup>50</sup>  
H. M.'S TELEGRAPHS IN INDIA.  
SOUTHERN DIVISION.

PREPAID MESSAGES ARE TRANSMITTED ON THE TELEGRAPH LINES IN INDIA AT THE FOLLOWING RATES:—

|                                                                                                                                  |                                                                                                                                                                                  |
|----------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| For distances of 400 miles and less, Messages of 16 words and under are charged one Rupee                                        | The Rates are Doubled for distances over 400 miles and under 800 miles.                                                                                                          |
| Over 16 words the charge increases at the rate of one anna for every additional word.                                            | " " Tripled for distances over 800 and less than 1,200.                                                                                                                          |
| Beyond 2 miles Peon-hire is charged at the rate of 2 annas per mile, from each Telegraph Office.                                 | " " Quadrupled for distances over 1,200 and less than 1,600; and so on, an additional rate is charged for each distance of 400 miles, or part of 400 miles.                      |
| Cypher Messages are sent at the ordinary price, but can only be received in numbers written in full, or in common English words. | When the Messages are to be repeated, one-half extra is charged and it is only for "repeated" messages that refunds of charges are granted on account of inaccuracies or delays. |
