MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Collector of Madras, Saidapet, 28th June 1861, No. 29; to the Secretary to Government, Revenue Department, Fort Saint George.

With reference to the Government Proceedings 25th instant, No. 1240, I have the honor to state that the Peons will, I think, be necessary to watch the ground, until it is really occupied by the Government, as 44 Cawnies of it have been taken from "immemorial waste," which I have considered as the joint property of the Government and of the Mirasidars; that is, that the former may take possession of it, without reference to the latter, but, if left unoccupied by the former, it is possible that the latter may enter upon it, and they must be then proceeded against by action of ejectment, the issue of which may be doubtful.

2. The land will be let out for grazing, and the rent will cover the expense of the Peons, which will be 12 Rupees monthly. I rented it out formerly for this purpose, but the Mirasidars, drove their Cattle upon it, and as the Police Act provided only for trespass by an individual, I was powerless. The Act has been amended, and trespass by Cattle is now punishable.

3. Among the 14 Cawnies of private property purchased, there are some gardens, the produce of which may be turned to account.

ORDER, No. 2326, 8th July 1861.

The Governor in Council sanctions the engagement of watching Peons for the ground in question at the discretion of the Collector—the expenditure being defrayed from the sum realized from the land, which is in no case to be exceeded.
