Proceedings of the Madras Government, Revenue Department, 15th July 1861.

No. 195. Read the following Proceedings of the Board of Revenue, dated 27th June 1861, No. 3,349:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Tenkasy, 22nd June 1861, No. 268.

SIR,

I have the honor to bring to the notice of the Board, that Mr. W. E. Wright, Salt Deputy Collector, has been absent from duty since the 20th May. He is still residing at Palamcottah, and has not up to this time applied for leave of absence on sick certificate. The Board are aware that there is now no Salt Peshkar in the District to look after the Kotaurs and the business carried on at them, and under these circumstances, I solicit the Board's recommendation to Government, for the nomination of an experienced Officer as Salt Deputy Collector in Mr. Wright's room, with instructions to join the District immediately.

1. Ordered to be submitted for the consideration of Government.

2. The Board think it very necessary that a competent and responsible Officer should be in charge of the Salt Department in Tinnevelly, and resolve to call upon the Collector to require Mr. Wright to submit without delay an explanation of his failure either to return to his duty, or if prevented from doing so by the state of his health, then to submit an application for sick leave.

No. 196. Proceedings of the Board of Revenue, dated 2nd July 1861, No. 3,445.

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 27th June 1861, No. 279.

SIR,

1. I have the honor to acknowledge the order of Government, under date the 15th June, No. 6, transmitted to me by the Board of Revenue on the 17th June, in which the Government state that "they await Mr. Wright's application for leave," and to forward for the consideration of the Board and Government copy of a letter from the Zillah Surgeon of Tinnevelly, dated the 26th June, on this subject.

2. Mr. Wright left his station and his Kacheri on the 20th May last, and has done no duty since. In a letter, dated 20th June, he addressed to the Deputy Collector in charge of the Treasury, who is carrying on the duty temporarily, Mr. Wright stated that he considered himself still in charge of his office though not doing the work, as he had not been gazetted to any leave, or transferred to another appointment, on which grounds he demurred sending his Office seals to the Treasury Deputy Collector.

3. The Zillah Surgeon proposes giving Mr. Wright a sick certificate, only when he is able to leave. I have not heard of such a course being followed before, but the subject is not within my jurisdiction; however, as the Board are aware, that I have at present neither Salt Deputy Collector nor Salt Peshkar to personally superintend the daily current duties of the Department, I have again to solicit that the vacancy may be filled up at an early date, otherwise I fear the Government interests will suffer.

1. Ordered to be submitted for the consideration of Government.

2. The Board have already directed Mr. Silver to call upon Mr. Wright to state, why he neither resumes his duty nor applies for leave, but after Dr. Gillie's letter, the Government may perhaps consider further information unnecessary.
