Proceedings of the Madras Government, Revenue Department, 17th July 1861.

Read the following papers:—

No. 224.

From J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Tenkasy, 8th July 1861, No. 305.

SIR,

1. I have the honor to acknowledge the Proceedings of the Board, dated 27th June, No. 3,349, calling on me to direct Mr. Wright to explain, either why he has not returned to his duty, or if prevented from doing so by the state of his health, then to send in his application for sick leave.

2. I forwarded a copy of the Board's Proceedings to Mr. Wright, and called on him to submit his application for sick leave without further delay. This has merely elicited from Mr. Wright an application for three months' privilege leave, and this application together with the certificate that accompapied it, I forward along with this letter to be laid before the Board.

3. I beg also to forward copies of a previous letter I addressed to Mr. Wright on the 1st July, consequent on a telegram I received direct from Government, and of his answer dated 2nd July, and having done so, I beg to express my opinion, that it is useless my writing more letters on the subject, and I have only to request that some notice may be taken of the extraordinary proceeding of the Zillah Surgeon Doctor Gillies, in this matter, which appears to require explanation.

4. So far back as the 31st May, Doctor Gillies informed me by an Official letter, that in all probability Mr. Wright would have to seek a change of climate for the restoration of his health; and from that time to this, the granting the necessary sick certificate has been continually postponed, notwithstanding the various calls made for it.

5. My impression is, that Mr. Wright has been delaying taking a sick Certificate until he sees what notice the Board intend to take of his proceedings at Tutacorin, regarding the sale of the Salt pans.

---

1. Submitted through the Civil Auditor for the favorable consideration of Government.

2. As the Board observe that Mr. Wright's application is in effect for sick leave, they beg to recommend that an efficient Deputy Collector be appointed in his stead to the charge of the Tinnevelly Salt District, and that Mr. Wright be transferred to any charge which can be left vacant with less objection.
