PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from R. H. WILLIAMSON, Esq. Postmaster General; to T. PYCROFT, Esq., Chief Secretary to Government, Public Department, Fort Saint George, dated 17th July 1861, No. 1,362.

Having been given to understand that it is the intention of His Excellency the Governor to proceed on a tour to the interior, I have the honor to request you will be good enough to inform me whether I am to arrange for an Express being despatched so often as the exigencies of the service may require, to His Excellency's Camp. I would observe that on lines where correspondence is conveyed both by Railway and Post dawk, no advantage would be gained by an Express *into* Madras, unless arrangements are made for the starting of an Express Train the moment the Mail arrives at the Terminus with Public Despatches of moment. Expresses *from* Madras would be conveyed without delay, immediately on the Train reaching the Terminus.

In the event of His Excellency desiring that I should be prepared to have Expresses started whenever required, I beg to state that I shall make the necessary arrangements for a proper staff of runners being at all times in readiness at the several stages; but as I have made no provision in my Estimate for the entertainment of an Express establishment on this account, I trust that whenever an Express may be required, His Excellency will permit the cost thereof to be charged to the Madras Government and regularly adjusted.

ORDER THEREON, 20th July 1861, No. 1,050.

The Government [illegible] not require arrangements for the despatch of Expresses being made for the present. Should they be required hereafter, due notice will be given, and the expense may as suggested be charged to the Madras Government.
