Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 17th May 1861, No. 7,624.

Read the following:—

From J. D. SIM, Esq., Acting Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, No. 2,324, dated 6th December 1860.

SIR,

1. With reference to the correspondence noted in the margin, I am directed to state that the contemplated examination of the original survey of the Town of Madras, so far as it respects the Saint Thome Division, has been completed, and that the result has been the detection of several errors in the computations of the areas, while the accuracy of the field work, plotting, and maps, has been established.

To the Government of India, 24th April 1860, No. 622.
From do. 31st May 1860, No. 1,216.

2. The Government deem it essential that the survey in two other divisions of the town should be similarly tested—a work which is expected to occupy a further period of six months. Of the sum sanctioned by the Supreme Government on 31st May 1860, a balance of Rupees 417 will remain on hand at the end of the current month, and of the amount allowed for the *original* survey, a sum of Rupees 2,250, which accumulated from fines, &c., has been carried to the credit of Government.

3. In order to prevent the interruption of the examination, this Government have sanctioned the continuance of the Establishment till the end of June 1861, at the same cost as before; and I am directed to solicit the confirmation of the Government of India to the proceeding.

HOME DEPARTMENT, FORT WILLIAM, THE 17TH DECEMBER 1860, No. 2,731.

Forwarded to the Financial Department, for consideration and orders.

FINANCIAL DEPARTMENT, FORT WILLIAM, THE 17TH MAY 1861.

RESOLUTION.—The Governor General in Council observes that the statement of the Madras Government that the Establishment to which sanction is now solicited is at the same cost as that sanctioned in May 1860, is not correct, for in the Establishment sanctioned in May, there did not appear the item of 20 Rupees for contingencies, which is shown in the present application.

2. His Excellency in Council also observes that the two lascars at 12 Rupees were sanctioned in August last, in connection with the Establishments required for the completion of the Town Survey, it having been pointed out by the Madras Government that they properly belonged to those Establishments, and not to the Establishment for testing the survey already performed.

3. With the above exceptions, the Governor General in Council confirms the sanction of the Madras Government to the continuance of the Establishment sanctioned by this Government in May last, at a cost of Rupees 152, on the understanding that the expense will be met out of the Budget Grant under the head of service to which the application appertains; and he desires that it may be intimated to that Government that the work upon which the Establishment is engaged must be finished by the end of June 1861.

To the Home Department, for communication to the Government of Madras.

No. 375. ORDER THEREON, 25th July 1861, No. 1,491.

1. Communicated to the Superintendent of Revenue Survey, who will, with reference to paragraph 3 of the Proceedings of the Government of India, state what has been spent on the Establishment since the beginning of July 1861, and the earliest date on which the examination can be completed.

2. Captain Priestley will, at the same time, explain what divisions remain to be tested. The Establishment as originally sanctioned was for the purpose of testing and examining the work of the survey *already performed*, which of course includes the portion conducted under the superintendence of the Collector, the Government presume that no test need be applied to the parts surveyed under the superintendence of Revenue Survey Superintendent.
