Revenue Settlement Office,
Madras,

From, H. Newill Esq^r
Director of Revenue Settlement

To, J. D. Bourdillon Esq^r,
Secretary to Government,
Revenue Department,
Fort St George

Sir,

1. I have the honor to submit my application for privilege leave for 3 months to visit the Neilgherry Hills.

2. It is now more than 7 years since I returned from furlough to England, and during this time I have taken no leave of absence. The duties I have had for the last 3 or 4 years in the organization of the new Survey and Settlement Department, have been of an onerous and anxious nature, and I feel some recreation necessary in this hot season.

3. My Medical attendant (Dr Porteous) most decidedly and earnestly impresses upon me the necessity of seeking this change, and a temporary relief from my duties, as the means of preventing my health breaking down, and requiring probably a longer absence on Medical Certificate. I had intended taking my work to the Hills and

and remaining there for a few weeks (to which I imagine the Government would have had no objection) but Dr Porteous fears this arrangement would be insufficient for the purposes.

4. The arrangement I would propose during my absence is, for Mr R. B. Master my Deputy in the Gadawary District to officiate for me, and undertake the current duties of my office. Mr Master has been in the Department from the commencement and is well acquainted with its work, for which he has shown great aptitude, while I have the greatest confidence in his discretion.

5. As Mr Master has at present no field work to superintend, I consider that he can carry on the Settlement work in the Gadawary district as well as the routine duties of my office. The Chellambaram Settlement business, as far as my personal superintendence of it is required, will be completed, and a Settlement Report for the whole of the Trichinopoly District be submitted before I leave, so that, I do not anticipate any very important matter arising during my absence, in any case. Mr Master will be able to obtain my advice on any matters in which he may desire it.

6. Mr Master must be relieved temporarily of his duties of Sub Collector, which he has lately undertaken in addition to those of a Deputy Director, as they will be more than he can attend to, and it is desirable that he should come to

to Madras to take charge of the office and also be here occasionally during my absence.

I have the honor to be,
Sir,

Your most obedient servant

M. Mill
