Proceedings of the Madras Government, Revenue Department, 29th July 1861.

No. 401. Read the following letter from Captain H. R. MORGAN, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 20th May 1861, No. 481 :—

SIR,

1. As directed in Proceedings of Government, No. 1,016, dated 11th May 1861, I have the honor to submit for the favorable consideration of Government, and eventual transmission to the Government of India, a Tabular Statement in the prescribed form involving an increase of Rupees 70 to the Establishment of the Conservator of Forests.

2. The above I solicit may be considered in substitution of that submitted in my letter dated 23rd February 1861, No. 389, so far as regards my office Establishment.

No. 402. ORDER THEREON, 29th July 1861, No. 1,505.

1. The Governor in Council does not see the advantage of having any Draughtsmen attached to the Office of Conservator of Forests. Captain Morgan will report what work has hitherto be done by the Draughtsman now employed, and what arrangements exist for making his drawings available to those interested in Botany. A Herbarium is also an unnecessary adjunct to a Conservator's Office, and would be more appropriately attached to the Museum. Captain Morgan will report fully on this subject also, and state what facilities are afforded to the public of examining the plants in the Herbarium.

2. Provision for an Accountant on Rupees 50 per annum will be made in the Supplemental Budget now under preparation.

3. The Government see no sufficient cause for raising the Head Clerk's pay.

(Signed) J. D. SIM,

Secretary to Government.

It appears to me that there can be no objection to a Draftsman - a second Draftsman or an Herbarian - this will reduce the expenditure 60 R. the Accountant might - then be appointed at 80 R - then would still be a saving of 60 R -
