Proceedings of the Madras Government, Revenue Department, 31*st July* 1861.

No. 442. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 25th July 1861, No. 3,983 :—

SIR,

1. With reference to the Order of Government, dated 29th June 1861, No. 1,302, communicating the Resolution of the Government of India, and requesting the submission of the return of expected revenue from the Income tax at one per cent. therein called for, I am directed by the Board of Revenue to submit a Statement showing the amount of tax assessed at one per cent. under each of the four Schedules in each District. The date within which the assessment was made is shown in column 2 of the Statement for each District. The amount which is expected to be realized up to 1st August 1861, cannot be correctly estimated, but the Board believe that it cannot be much in excess of the sum entered in the Statement. The amount assessed at one per cent. under Schedules III and IV, which relate to income from Government Securities and Government employ or pension, is probably largely deducted by the *ex-officio* Assessor at the Presidency, and does not come into the present Statement.

In Cons. 1st June 1861, No. 3,963.

2. There are some points in this Statement on which the Board are calling for explanation from the Districts ; but as the replies will probably not materially affect the general result, it has not been thought necessary to delay the submission of this return.
