Proceedings of the Madras Government, Revenue Department, 1st August 1861.

No. 15. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 4th July 1861, No. 970 :—

SIR,

1. With reference to the Proceedings of Government, dated 27th February last, calling upon me to explain the source from which the Tappal Royasums in the Coimbatore District have hitherto been paid, and the large increase in the Establishment of runners, I have the honor to submit a letter* from the Collector of Coimbatore bearing on the subject.

* Dated 19th April 1861.

2. The Establishment of Royasums and other servants employed on District Tappal duties, were hitherto included in the general abstracts of Táluq Revenue Establishments, and their pay has been passed by the Civil Auditor.

3. In the separate Táluq Tappal Establishment entertained under the orders of the Post Master General, there are at present thirteen Peons on a monthly pay of 48½ Rupees, the salaries of these Peons have to be passed by the Civil Auditor.

4. The portion of Establishment for Tappal purposes included in the Revenue pay abstract and declined to be passed by the Civil Auditor, has been retained till the introduction of the new Tappal Establishments. The arrears of pay due to this Establishment up to February 1861, amount to Rupees 657-4-3, of which Rupees 213-7-10 have been disbursed from the advance fund, and the remainder Rupees 443-12-5 is still due. I therefore request that instructions may be issued to the Civil Auditor to pass the arrears of pay due to these servants as also their pay from March 1861, until the re-organization of the District Postal Establishments.

5 Peons employed under the orders of the Post Master General	17	8	0
8 Do. under the orders of Government, dated 12th December 1857	31	0	0
Portion of the old Revenue Establishment retained for Tappal duty	159	0	0
	207	8	0

5. It appears from the Collector's letter that there are still three old Táluqs which have not been taken charge of by the Police. When they are taken the new scale of Establishment will have to be introduced, and a portion of the old Establishment retained for tappal work. I request that the Civil Auditor may be authorized to pass the pay of the portion of Establishment which may be separated from the Revenue Department.

6. The Government have directed me to expedite the new tappal arrangements. The work is now on hand, but it will, I fear, be some time before I shall be able to lay a scheme in a satisfactory manner before Government, but it shall be done as soon as possible.

Order dated 5th June 1861, No. 803.
