PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Proceedings of Government in the Revenue Department.

Communicating paragraph 3 of the Proceedings of the Board of Revenue in regard to the course adopted by the Medical Officer of deferring for more than a month to report that Mr. Wright, the Salt Deputy Collector of Tinnevelly was unfit for duty from illness, &c. } (Here enter 19th July 1861, No. 1,438.)

From R. COLE, Esq., Principal Inspector General Medical Department; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 23rd July 1861, No. 116.

Adverting to Proceedings of Government, Public Department, No. 1,022 of the 15th instant, I have the honor to report, that the Medical case and Certificate of Mr. Deputy Collector Wright were received at my Office on the 17th instant.

2. It appears that Mr. Wright has been suffering severely from fever, and the effects of exposure, and since the time he arrived at Tinnevelly under Medical treatment, he has not been sufficiently strong to proceed on leave, or to return to duty. This accounts for a Certificate not having been earlier sent in by the Civil Surgeon, but that Officer will be admonished, that it was requisite for him to have informed the Collector of the precise state of his Subordinate, and to have furnished a Certificate of his incapacity to perform his duties.

ORDER THEREON, 1st August 1861, No. 1,118.

The foregoing letter from the Principal Inspector General Medical Department, will be communicated to the Revenue Department, in reference to the Proceedings in that Department 12th instant, No. 1,395.

2. The Government approve of the admonition conveyed to Dr. Gillies.
