No. 69. Read the following Proceedings of the Board of Revenue, dated 6th July 1861, No. 3,551 :—

Read letter from the Collector of Coimbatore, dated 13th June 1861, regarding the employment of extra servants at the principal Bungalows in the District.

(In Cons. 18th June 1861, No. 3,721.)

1. Ordered that the above letter, together with that dated 7th March 1861, No. 48, and the Board's Proceedings thereon, be submitted for the orders of Government.

2. The Collector at first requested that extra servants might be allowed to all the Bungalows furnished with Crockery, &c., but this proposal having been negatived by the Board, he now restricts his application to the five Bungalows noted in the margin, and recommends that a Cook and Maty be employed at each and that a Maty be sanctioned for Mettapoliem, where there is now only a Cook.

	No. of Travellers in 1860.	Expected amount of fees.
Bhowany	47	50
Perindoray	45	40

Caroor	53	50
Kulhutty	102	100

Maty	3½	do.
For each Bungalow	9½	do.
	5	
For five Bungalows	47½	do.

Do	570	per annum.

3. The Board do not doubt that the amount of fees realized at the above Bungalows which are on the lines of road from the South West and Great Southern of India lines of rail to the Hills will cover the cost of the extra servants now proposed, and under these circumstances recommend that the extra servants applied for be sanctioned as a temporary measure, the expense to be charged to the Bungalow Fee Fund, and the result to be reported at the end of a year, when the further continuance of the Establishments can be considered.

4. It should, however, be clearly understood that if any of the Bungalows are rendered useless to Travellers at an earlier period by the extension of the railroad, the Establishment at that Bungalow is to be at once discontinued.

No. 70. ORDER THEREON, 5th August 1861, No. 1,563.

1. The Return of Travellers and Estimate of Bungalow fees furnished by the Collector of Coimbatore, with his letter of the 13th June, No. 121, is for 1860; the opening of the Railway to Salem must have since greatly increased the number of travellers, and it may reasonably be expected that the fees will cover the charge for extra servants at the Bungalows on that line.

The Government authorize the Collector to engage a Cook and Maty at the three buildings marginally noted (to be paid out of the Bungalows' fee fund) for three months, at the close of which the result of the experiment will be reported with an account current of receipts and charges when, if necessary, application will be made for the sanction of the Government of India for the permanent entertainment of the servants. The peons and sepoys will not be retained at these buildings. If the fee fund seems able to bear the charge, sanction for extra servants at Caroor and Kongayam can hereafter be applied for.

Bhowany.
Perindoray.
Kulhutty.

2. If any of the Bungalows for which extra Establishments have been allowed, is superseded by the Railway, the extra Establishments will of course be at once withdrawn, and a sepoy and sweeper only maintained until orders on the longer retention of the building are obtained.

IN CONS. 18TH JUNE 1861, No. 3,721.

From E. B. THOMAS, Esq., Collector of COIMBATORE,

dated 13th June 1861, No. 121.

ıth reference to the Board's Proceedings of the 6th April 1861, No. 1,783, I have the honor
ard a Memorandum showing the number of travellers who halted at each of the furnished
ows of this district during 1860, and the probable account of the fees which might have
been levied at each, from which it will appear that it is only in the five Bunga-
tore. lows noted in the margin that the fees will probably cover the expense of the
hy. extra servants, the probable receipts in all the other Bungalows being small.
llliem. The number of travellers will hereafter increase with the progress of the Rail,
r. and with it, the fees. I need hardly say that without extra servants, the Crockery,
ty. &c. are scarcely of any use; the old pensioned Sepoy can only take care of them, but
cannot act the part of a Cook or Maty. I would therefore request the Board of
Revenue will be good enough to obtain the sanction of Government for extra
servants, at least for the five principal Bungalows named in the margin.

2. I would also request sanction for the Maty at the Metapolliem Bunga-
low, which is more than any other frequented by travellers, and where the
e receipts will more than cover the pay of the extra servants. The pay of the above Maty
emporarily disbursed from the Bungalow Fees Fund, pending this sanction.
