Proceedings of the Madras Government, Revenue Department, 7th August 1861.

No. 105. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 26th July 1861, No. 4,036 :—

SIR,

1. As the water in the wells at Chepauk is not fit for drinking, and as much inconvenience is experienced in getting a daily supply from the Fort, I am directed by the Board of Revenue to request that sanction may be granted for the employment of a water-carrier to supply their Office with water at a monthly cost of 6 Rupees.

2. It is understood that a similar charge has been sanctioned by Government for the Chief Engineer's Office. It occurs, however, to the Board that it would be more economical if arrangements were made to supply water to the whole of the Public Offices located at Chepauk than to allow each Office as at present to supply itself.

3. Probably two water casks on wheels would suffice for the requirements of the whole.

No. 106. ORDER THEREON, 7th August 1861 No. 1,581.

1. The Government authorize the Board of Revenue to incur an expenditure, not exceeding six Rupees per month, for the purpose specified, and to include the same in their monthly Contingent Bill. It will be understood that the sum allotted in the Budget for contingent charges is not to be exceeded on this account.

2. The Civil Paymaster is requested to state whether any similar charge is incurred for other Offices in Chepauk.

(Signed) J. D. SIM,
Secretary to Government.
