Proceedings of the Madras Government, Revenue Department, 8th August 1861.

No. 120. Read the following Proceedings of the Board of Revenue, dated 3rd June 1861, No. 2,854 :—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to J. D. SIM, Esq., Secretary to the Board of Revenue, Chepauk, dated 13th April 1861, No. 109.

SIR,

1. With reference to paragraph 2 of the Order of Government, dated 14th February 1861, communicated to me with Board's Proceedings of the 7th March last, No. 1,296, I have the honor to forward herewith a statement exhibiting the funds which have accrued from the Inám lands attached to the Nadiem Matum in the Puttoocottah Táluq of this District, and the disbursements made therefrom annually from Faslis 1265 to 1270, from which it will be seen that there remains a net surplus of Rupees 4,030-15 in deposit in my Treasury.

2. On referring to the former correspondence on the subject, the Board will observe that Mr. Forbes, the late Collector, proposed to appropriate the surplus funds for the repair of the said Matum, and to apply the residue for the construction of choultries in the more frequented lines of roads. On inspecting both the building and the villages attached to the Matum last year, I, however, found that both had been so much neglected that nearly the whole of the funds now in hand will be required for the repairs of the building, and the improvement of the sources of irrigation, and also for the renewing of the topes and gardens connected therewith. With the approval of the Board, I would, therefore, recommend that for the present the surplus funds should be retained.

In Cons. 26th February 1861, No. 1,232.

Submitted for the information of Government, with reference to paragraph 2 of their Order, dated 14th February 1861, on the Petition presented by Eneesagree Goswamy of Nadiem Matum, in the District of Tanjore, No. 3,299 of 1860. The Board approve of the Collector's intention to expend the accrued proceeds on the Mhutt and irrigation works of the villages.

No. 121. ORDER THEREON, 8th August 1861, No. 1,589.

1. The Governor in Council observes from the Collector's report that notwithstanding the expenditure on account of repairs, &c., during the period which has elapsed since these lands were resumed, the building and villages attached to the Mhutt have been very much neglected. This is the more censurable, because the Gosayee having been ejected for abusing and neglecting his trust, it was especially desirable that the Government management of the endowment should be efficient.

2. The surplus in hand should of course be devoted first of all to the Institution.

(Signed) J. D. SIM,

Secretary to Government.

To,

His Excellency,
The Right Honorable,
Governor in Council of
Fort Saint George

The humble Petition of Eneea:
: gree Gosawmy abbot of Na:
: dayum Madam in the Puttoo
Cottah Talook of Tanjur Zillah.

Humbly Sheweth,

That with due Respect and humble
1. Submission, I beg leave to state that the Consort of
Rajaiah Regoonada Naicker who reigned Tanjur 250
years ago had a sickness of a Belly-ache; and it had
to Round by my ancient Gooroo Inanoosagree Gosawmya:
Notwithstanding this, he relieved the troubles which many
Individuals suffered by Puttragallee called Nadi ammon
of the said Puttoo Cottah.- Thereupon, the aforesaid Rajah
had been much pleased on him, and granted him 13
Villages as Chattriam in the said Talook for the use of
his Madam, and Confirmed them by a Sunnad Dona:
: ment made on a Chemboo Puttiam.-

2. The expences of that Madam, Pagoda,
Samadi, had been regularly Conducted by the income

of the said 13 Villages were in the Marrhattah administration that commenced 186 years ago from the time of Rajestry Eccojee Maha Rajah the first Rajah, until that of Rajestry Gaastoo Rajah the 7th Rajah. -

3. But in the time of Rajestry Pretaup sing Maha Rajah the 8th Successor, the then Gosawmiar of that Madam having made a medicine called Tirvee Pusjum, presented it to the said Maha Rajah as a gift: - he, thereupon, had been highly gratified one him, and asked him, what does he want? He in reply, solicited him, that the Chottriam of 13 Villages must be made as servamonium. The said Rajah, upon the consent of the said Gosawmiar, having taken 5 Villages out of the 13 for the Chowtry [illegible] Chettoo Bawah, made the other 8 as servamanium according to the Request of Gosawmiar and took the original Document called Chembo pattiam made for the 13 Villages of Chottriam and gave him a Grant Sicca Sunnud for the 8 Villages, stating therein, the subject of the said 5 Villages: The copy [illegible] which is herein inclosed for the information of Government. The said 5 Rajah did not usurp the said 5 Villages by force

4. While the said 8 Villages are enjoyed as servamonium for the space of about 130 years by Gosawmies

successively from the time of Rajestry Pretaup sing Maha Rajah the 8th Successor until the time of the last Rajah His late Highness Serajee Maha Rajah the 12th Successor, Gondala Row who was as a Vasildar to the said Taluck in the year 1856 sent for me, and the Deputy Gosawmiar, asked them 500 Rupees, informing us that if we will give them to him, no accident shall befall penedesth to the Madam & its Villages; and as the Collector are as close friends to him, they will send orders as he writes; and if he will write to them that we are bad Characters; and the Villages should be resumed, they will immediately send orders to do so; and threatened us to bring the said Sum within a week. - We having been afraid of his words, asserted that as those Villages are as Vandarembem, they did not give full produce since these 60 years, we are unable to do so, and consented to give them 100 Rupees: he refused to take it, and came after a week to our Madam, and entered into it with shoes, and likewise he went to enter into the Rgoe and Samadi; we and our Disciples told him not to go within with shoes: he, thereupon, having enraged, told us that he will make that the Madam and its Villages may be resumed within a week, and went, and sent for the inhabitants of those Villages, and those of adjacent

Villages, and forced them away by his authority to prefer false Com-
plaints against us that we are bad Character, and we
separated from them the income of that madem, and took
the Complaint from them, and submitted an Urzee
to the Collectors against us falsely together with the false
Complaints which he had taken from the poor inhabitants
by force. The Collectors having put their confidence
in his false Urzee, sent an order to resume it unjustly:
and as soon as he received it he resumed the madem
and its Villages as he had said, and sold in auction the
Cattles, Horses &c of that Inadem, and banished us and
our disciples out of that Inadem on the 4th March 1856.
Now we and our disciples arrived to the madem of Sa-
=roogoodary Bavah at Caranthattangody in Sanjay Taluk
live by begging on account of inhumane action of the
said Tasildar.

5. This unjust action of the Tasildar had been
explained both by us & our agents to the Collector and the
Revenue Board by way of many of Petitions in order to
open the unjust Resumption of our Inadem and its Vil-
lages. To which, the Collector gave me an Endorse-
=ment without enquiring the falsehoods of the Ta-
=sildar, as well as my conducts with the individu-
=als of our Villages, and those of adjacents Villages.
Revenue Board also pursued the same Course.
I beg to enclose herein the said Endorsement for
the information of the Government. Now all my

agents left my service as we have no any means for sup-
=porting them. I have hitherto detained to address
the Government as I have no cash to pay to the Com-
=poser of Petition. Now a charitable Gentleman hav-
=ing Condescended upon our poor miserable state
composed this Petition for Charitys Sake, I have pre-
=sumed to submit it to the Government, trusting, that
such Petitions Commiseration will have in the hights-
=ous minds of Government, and protect us. I beg
to assure your Excellency that the said Villages were
not granted for doing Charity, but the use of our Inadem
upon the requisition of my ancient Goorus for hos abo
=tempt. While it is so, it is a grosjunjustice to resume
our Villages, telling that the Charity was not conducted
property, and my conducts are not good.

I beg to enclose herein for the in-
formation of the Government two Inazer-namahs
for my good conducts: one was signed by many In-
dividuals: and the other by some Abbots. The persons
who signed lately the above said Complaints were questi-
=oned by others why did they sign the said Complaints
they replied, that they had done so fearing the troubles
of the Tasildar. The above said two Inazer-namahs will
give a plain proof for my good conducts; the Sirca
herein inclosed will explain that the Villages were
granted for the use of our Inadem upon the requisition
of my ancient Goorus but not for doing charity. —

I therefore most humbly beg your honour Excellency will be pleased to have pity upon me and the Dependants of that Madam, and peruse the copy of the Sircar Sunnud granted to the Madam of Nandi Ammen 130 years ago, by the 8th Rajah of Marshatta, and the two Inger namahs given by the Inhabitants and some Abbots for my good conduct, as well as the English Endorsement of the Collector and issue an order to the Revenue Board to send an Instruction to the Collector of Tanjore that he may release the resumptions of your Madam's Villages & put them into my possession as usual and protect us under the shadow of the Government as they do to many Abbots.

For which act of Charity & Justice I shall as in duty bound Ever Pray

Rec 1399./61.

In 1856 Mr Forbes, then Collector of Tanjore requested the Board's permission to the resumption of eight villages possessing a total ayakut of Velis 583, from which deducting Velis 328, made over as Manijam to the villagers; as Poramboke, & for other purposes; there remained 255 velis the produce of which was supposed to be devoted to the distribution of food to travellers & a Choultry was raised thereon.

19 Jan/56 No. 10.

On the ground that the Choultry had misappropriated the proceeds and illegally alienated parts of the endowment from their original object, the Board authorized the resumption of the lands and directed the Collector to hold the proceeds in deposit. As regarded the future appropriation of this money they concurred in the Collector's recommendation to build choultries as often frequented by travellers, after repairing the present building - and promised to entertain any proposals accompanied by the necessary details.

7 Feb/56 No. 557.

No such proposals were ever made.

The subject came under the notice of
*20.3296 of 1899. Govt on the occasion of a Petition from
the Sonaye, and the Board were re-
*4 Feb/01 quested to report what had been done
with the Funds which must have accrued
since the resumption.

*3 June/01 No 2854 They now forward a report from
the Collector, shewing that ~~since~~ the re-
ceipts during the six years since the resump-
tion have amounted to Rs. 8260 - 4 - 4
And the expenditure during
that time on account of
1. Govt demand ... 1098 - 8 - 8
2. Establishment
charges ... 1056 - 5 - 6
3. Debts discharged - 596 - 8 - 7
4 Charaunds ... 1275 - 12 - 3
5. Sundry works ... 202 - 2 - 4
Has amounted to 4,229 - 5 - 4
leaving a balance of 4030 - 15 - 0
which the Collector considers should
be expended in repairing the Building,
improving the source of irrigation,
renewing the topes of gardens. all of
which the ~~Collector~~ had found much
neglected.

The Board approve of the
Collector's intention.

But is necessary that any notice
should be taken of the delay? or that any
explanation should be required of the State
of the villages after the expenditure
in question? or should the Proceedings be
simply recorded?

because the Gosayee having
