Proceedings of the Madras Government, Revenue Department, 10th August 1861.

No. 152. Read the following letter from R. A. DALYELL, Esq., Sub-Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 29th July 1861, No. 4,069 :—

SIR,

1. With reference to paragraph 3 of Extract Minutes Consultation in the Revenue Department, dated 6th June 1843, No. 596, I am directed by the Board of Revenue to submit for the orders of Government the accompanying General Estimate of charges proposed to be incurred on account of additional Establishments in the undermentioned Districts in Fasli 1271, amounting to Rupees 66,351, and falling below the estimate for the same Districts in the previous Fasli by Rupees 3,437, as shown in the following abstract :—

									Deduct Increase		897
										Decrease.....	3,437

2. The only increase is in Malabar, and it is occasioned partly by the enchanced rate of pay, viz., 5 Rupees per mensem, proposed for certain temporary Peons in the Salt Department, and partly by the cost (Rupees 600) of an Establishment of 1 Tindal and 6 Lascars proposed to be added to the crews of the boats to prevent the smuggling of Salt, viz., which have been for some years annually sanctioned in the Sea Customs Department. The further addition is stated by the Collector to be absolutely necessary, to prevent serious loss to Government from the extensive smuggling of Tobacco and Liquor which has been carried on since the Customs duties were raised at the isolated Government Farms situated within the Cochin Rájá's country.

3. The items of 102 and 500 Rupees for Karnams and Taliars in the Madras estimate, and for Gumáshtas and Peons in that of Malabar respectively, have been disallowed in accordance with paragraph 4 of the Government Order, No. 607, dated 15th March 1861, as the required explanation does not appear to have been yet submitted to Mr. Pelly.

4. The net decrease in the Godavery District is the result of a gross increase of Rupees 348, consequent on the pay of certain Land Revenue Peons being raised to 4 Rupees per mensem in consideration of the high prices of provisions and the high wages at which ordinary labor is remunerated in the District, and a gross decrease of Rupees 480 in the Salt Department owing to a smaller number of Peons being required for the present than in the past Fasli.

5. In the Kistna District the Settlement Gumáshtas and certain Peons have been discontinued, the decrease thus occasioned being Rupees 2,352.

6. In North and South Canara the usual Establishments for killing wild elephants are not proposed, and the remainder of the decrease consists of reductions which have been found practicable in the Sea Customs, Sayer, and Salt Departments.

7. With the above explanation, I am directed by the Board to recommend that the aggregate amount of Rupees 66,351 for the above Districts be sanctioned.

8. The Collectors of Bellary, North Arcot, Madura, and Trichinopoly, have intimated that they have no estimates to submit, and the attention of the Collectors of the remaining Districts has been again* called to paragraph 8† of the Government Order No. 607, dated 15th March 1861, urging the importance and necessity of the early submission of these Estimates, and should any more be received they will be duly forwarded to Government.

* 20th July.

† Vide Board's C. O. No. 1,671, dated 3rd April 1861.

No. 153. ORDER THEREON, 10th August 1861, No. 1,605.

1. The estimate of extra Establishments for Fasli 1271, submitted with this letter, amounting to Rupees (66,951) sixty-six thousand three hundred and fifty-one, is sanctioned.

2. The Accountant General will be requested to report, whether any provision has been made in the Budget, and if so, to state the amount entered for each District.

3. The extra Establishments under the heads of "Land Revenue and Police" in the Districts of Godavery and Kistna should cease simultaneously with the introduction of the new Police and consequently of the revised Revenue Establishments.

4. In submitting his estimate for 1272, the Collector of Cuddapah will explain the necessity for the continuance of village Peons at the small yearly charge of Rupees 12.

(Signed) J. D. SIM,
Secretary to Government.
