Proceedings of the Madras Government, Revenue Department, 10th August 1861.

No. 154. Read the following Proceedings of the Board of Revenue, dated 3rd August 1861, No. 4,200 :—

From JAMES FRASER, Esq., Collector of South Canara, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Mangalore, 26th July 1861, No. 124.

SIR,

1. I have the honor to state for the information of the Board, that I have now in store 195 tons of Amín Divi Coir of this season ready for shipment as soon as the weather will permit, in addition to 25 of last year's supply due on the Indent* of the Naval Storekeeper at Calcutta, dated 6th September 1860, for which latter quantity tenders for freight are now being invited by the Bombay Government.

* Board's Proceedings, 10th October 1860, No. 4,673.

2. It would be advisable that the wants of the authorities at Calcutta for next season be supplied at the same time, if possible; and with this view I would suggest that the Board be pleased to ascertain what their requirements are by a reference to the Supreme Government.

Ordered to be submitted to Government, with reference to their Proceedings, No. 1,818, Revenue Department, dated 8th October 1860, and with the Board's recommendation that the necessary intimation be made to the Calcutta authorities.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, *Secretary.*

Ordered that the following letter be despatched.
