SIR,

With reference to the Government Order dated the 22nd July last, No. 1,449, communicated by the Board on the 23rd idem, I have the honor to report that necessary instructions having been given to the Government Vakeel at the Madura Court to give notice if any one of the parties to the Original Suit No. 3 of 1856, on the file of the said Court, appeals; he now informs that the Civil Court has received an Extract from the Proceedings of the Sudder Court, stating that an appeal preferred by the original Plaintiffs against the Decree in that Suit was admitted, but that no notice of it has yet been given to the opposite parties.

The Collector has not stated, as he ought to have done, whether he has been made a respondent or not, and therefore the Board are unable to apply for an order to *defend* the action; but this order they presume may be passed when the exact nature of the appeal has been ascertained.
