PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India (Public), to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 16th July 1861, No. 35 :—

SIR,

1. With reference to paragraph 5 of my Despatch in this Department, dated the 2nd of July 1861, No. 27, I have to acquaint you that George Batcock has been engaged as a gardener to take charge of the Cinchona plantations, under the superintendence and orders of Mr. McIvor, on a salary of £150 per annum, increasing at the rate of £10 a year, for a period of five years, commencing from the 20th of August 1861, on which day he will leave this country.

2. George Batcock has also been informed that a suitable residence at or near to the plantations under his charge will be provided, or that an equivalent, in the form of an allowance for house-rent, will be granted him, if no building is available for the purpose.

3. It will be for your consideration whether a Travellers' Bungalow, which it is understood is seldom or never occupied, at Neddivatam, may not, from its proximity to the site of one of the Cinchona plantations, be available for this object.

ORDER THEREON, 4th September 1861, No. 1,760.

1. Ordered to be communicated to Mr. McIvor, Superintendent of the Cinchona plantation Neilgherries, with the request that he will be good enough to report what arrangement he would propose for providing the gardener Batcock with a dwelling, or with a suitable house-rent in lieu.

2. The Board of Revenue will also be requested to report, after consulting the Collector, on the suggestion of the Right Honorable the Secretary of State in paragraph 3, to make the Travellers' Bungalow at Neddivatam available for the purpose in question.
