Proceedings of the Madras Government, Revenue Department, 6th September 1861.

No. 51. Read the following Proceedings of the Board of Revenue, dated 22nd August 1861, No. 4,596 :—

Read the following letter from A. HATHAWAY, Esq., Collector of Bellary, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 7th August 1861, No. 151.

SIR,

1. With reference to paragraph 5 of the Proceedings of the Madras Government, No. 2,019, dated the 1st November 1860, which were communicated with the Board's Proceedings, No. 5,096, of the 3rd idem, I have the honor to report that I see no reason to alter the opinion I formerly expressed in favor of the Anthapur farm being rented to the Commissariat Officer at this station.

2. The only complaints on the subject that have reached me, were from the late renter Narasinga Ráu, and two or three Ryots, supposed to be under his influence, who alleged that the servants belonging to the Commissariat Department had cut grass on their ground.

3. These charges, however, could not be established against any particular persons, and were denied by the Commissariat Officer.

4. I have since had boundary marks put up, whereby each party will know their own limits.

5. The farm in question has been in the enjoyment of Captain Benson since July 1860.

---

1. Submitted for the orders of Government with reference to their Proceedings in the Revenue Department, No. 2,019, dated 1st November 1860,
In Cons. 2nd November 1860, No. 5,615. quoted by the Collector.

2. In the above Government Order, the Government sanctioned the inclusion of the Anthapur grass lands in the Commissariat farm at Bellary as an experiment for one year, and directed the Collector and Commissary General to report on it at the expiration of that time, which the Collector has now done in the foregoing letter, the experiment having commenced in July 1860, or four months prior to the date of the above Government Order.
