Proceedings of the Madras Government, Revenue Department, 10th September 1861.

No. 86. Read the following Proceedings of the Board of Revenue, dated 18th July 1861, No. 3,824:—

Read Endorsement by Mr. Pelly transferring to the Board of Revenue a letter from the Collector of Ganjam forwarding a memorial from his Sub-Division Sarishtadár Canta Ráu, praying that his salary may not be reduced on the introduction of the revised Establishment for the office of the Principal Assistant.

(In Cons. 15th July 1861, No. 4,383.)

1. Ordered to be submitted for the decision of Government, the proposals for the Establishment being now under their consideration.

2. Canta Ráu is entered in the List of Revenue Establishment corrected to 1st January 1861, as having held his present post since 1st July 1859, but according to his memorial he was promoted to it on 4th August 1855.

3. His service dates from 1835, so that he is now in his 26th year of service.

4. His present pay is Rupees 140 per mensem, the proposed rate of pay for the post he holds is Rupees 100.

5. When the Board's Circular Order of 10th May 1859, No. 1,689, was issued with the approval of Government, Canta Ráu was one of those who were specified in paragraph 10, as in receipt then of higher pay than was proposed for the post of Sub-Sarishtadár, and it was distinctly directed they should continue to draw the higher rate so long as they might hold their posts.

6. This promise was upheld by Government in their subsequent orders, dated 17th August 1860, No. 1,378, Revenue Department, but in their later Proceedings of 27th October 1860, No. 1,977, paragraph 3, it was declared that a limit must be put to the operation of the promise, and that men enjoying the benefit of it, who had served the time entitling them to pension, should be required either to take pension or to serve on the reduced pay of their office, and in respect to others that the extra pay should not be allowed beyond "a certain period."

7. In a subsequent paragraph of the same Proceedings, a man who had to serve 2¼ years to entitle him to full pension was permitted to retain his extra pay for that period unless promoted in the interval.

8. The Board beg leave to recommend that a similar indulgence be shown to Canta Ráu, who has some four years more to serve.

No. 87. ORDER THEREON, 10th September 1861, No. 1,789.

1. Canta Ráu will be treated in the same way as Narrain Ráu, whose case was decided in G. O. dated 7th instant, No. 1,780.

2. He will draw 40 Rupees monthly as a personal allowance until otherwise provided for.

Deputy Secretary to Government.

Rev. 1730

The Board submit with their favorable recommendation an application from Canta Rán, Sub-Division Sheristadar of Ganjam for the continuance to him of his present salary of Rs. 140 per mensem: the actual pay of his appointment being fixed, under the revised scale, at Rs. 100-

The Govt. orders on similar applications have been rather contradictory as pointed out by the Board in para 6 of their letter. ~~Letter dated~~ They have

however, shall permitted Karrani Rán, holding a similar post in Cuddapah to continue drawing pay at his old rate till he has served long enough to take his pension.

If the indulgence is accorded in the present instance, the extra sum will probably have to be provided for in the Supplemental Budget.
