Proceedings of the Madras Government, Revenue Department, 10th September 1861.

No. 94. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 23rd August 1861, No. 4,618 :—

SIR,

1. With reference to paragraph 2 of the Proceedings of Government, dated 6th July last, No. 1,355, I am directed by the Board of Revenue to inform you, that the number of copies of the Land Revenue Report for Fasli 1267, printed by them, viz., 300, was no more than printed in former years, when the publication of these volumes was made from the Government Office. According to the list of distribution received from the Government Office, there remained out of 300 only 35 copies, of which 20 were intended for sale, and 15 to be retained in store. Out of 300 copies printed for Fasli 1267, 150 were sent to Government for distribution according to the list above alluded to, and out of the remaining 150, 118 were distributed* by the Board among the Collectors, &c., as shown in the margin. There remain 32 copies, of which 12 being required for Office use, only 20 copies will be available for sale as usual. If, however, Government still consider the number of copies printed unnecessarily large, the Board beg to be informed what number of copies should in future be printed. As far as they are concerned, about 100 copies will be sufficient for distribution to the Collectors, Director of Revenue Settlement, Inám Commissioner, Accountant General and Civil Auditor, and for Office use.

2. The Settlement Reports of the Collectors for Fasli 1270 are now being received, and the Board wish to know whether they should make arrangements for printing them at private presses as was done last year, or whether they should be sent to the Government Gazette Press. It must be observed that the printing of the Reports for Fasli 1268 has only just been completed in the Gazette Office, and the copies have yet to be bound and distributed.

No. 95. ORDER THEREON, 10th September 1861, No. 1,793.

1. Ordered that the Board of Revenue be informed that 250 copies of the Land Revenue Reports will be sufficient. They will be furnished with a revised distribution list for this number.

2. The Superintendent of the Government Press promises to print these reports promptly if the enclosures are not to form a portion of the collection. The Government have already ordered (Proceedings dated 27th April 1861, No. 949,) that only the reports of the Collectors and not the statements should be printed for the future. The Board of Revenue will, therefore, have the Reports printed at the Gazette Press.
