JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from the Inspector General of Police.

(Here enter 23rd August 1861.)

ORDER THEREON, 6th September 1861, No. 1,122.

The Inspector General of Police submits his Estimate for the Constabulary of the Kistn District.

2. The force will consist of 28 Inspectors and 1,454 Constables, including two Europe Constables and ¼th portion (118 men) of the Masulipatam Sebundies, who are to be maintained as an Armed Reserve. Their allowances will cost Rs. 1,61,644 per annum, being at the rate of 2½ Anna per head of the population. There will be one Policeman for 815 inhabitants, and for every 5½ square miles of area.

3. In addition to this force, the Salt stations will require 83 Constables, and the Commissariat 15. During the season for manufacturing Salt, 55 extra guards will be temporarily entertained. The cost of these forces will be charged departmentally.

4. The Masulipatam Sebundies will be incorporated with the Police, but it will be reduced to one Company, for special duty as an Armed Reserve on the Hyderabad frontier.

5. The Constabulary will undertake the duty heretofore performed by 1,874 Peons, and will relieve besides two Companies of Veteran Native Infantry, and the Havildar's guard at Masulipatam Treasury. The force to be dispensed with at the Salt stations consists of 102 permanent and 33 temporary guards.

6. In reference to the two Zillah Jails in this District, Mr. Robinson suggests the abolition of that at Masulipatam, which is remarkably unhealthy and difficult to guard. The Jail at Guntoor is the reserve in both respects. This proposal will be considered by the Inspector General of Jails.

7. The Government sanction the Constabulary required for the entire District at the annual cost of one lakh, seventy thousand four hundred and sixty-four Rupees, and authorize the periodical entertainment of 55 extra Constables at the Salt stations, during the manufacturing season.
