Proceedings of the Madras Government, Revenue Department, 11th September 1861.

No. 102. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Vellore, 26th August 1861, No. 52 :—

SIR,

1. I have the honor to report for the information of Government that the Civil Auditor refuses to pass the charges as per margin,* on the ground of their not having been included in the Budget Estimate for 1861-62.

* Pay of the 2nd Dresser attached to this Department.
Pay of nine Clerks employed for the Registration of Service Ináms in the Ceded Districts and Kurnool, under the sanction of Government, dated 19th June 1861, No. 1,218.
Pay of two Gúmashtas sanctioned for the Settlement of Punganúr and Kangundi Polliams in the Order of Government, dated 21st May 1861, No 1,057.

2. The first item, viz., the pay of the Dresser, which forms a charge on the Medical Department, having been omitted to be included in the estimate submitted by the Inspector General, Medical Department, that Officer has been requested to enter it in the Supplemental Estimate called for in the Order of Government of the 6th July 1861, No. 346. The necessity for the other two items of charges, the Government will observe, arose long after the submission of the Budget Estimate.

3. The Government having in paragraph 2 of their Order No. 1,339 of the 4th July 1861, authorized Collectors to pay charges omitted to be entered in their respective Estimates, debiting them to advances to be adjusted hereafter, I have the honor to request that similar permission may be granted to me to draw the amount of the charges referred to in paragraph 1, as advance to be adjusted on the receipt of the sanction of the Goverment of India to the Supplemental Estimate, in which the charges in question will be entered.

No. 103. ORDER THEREON, 11th September 1861, No. 1,797.

The Government observe from paragraph 4 of the letter from the Accountant General, dated 19th August 1861, No. 111 (copy of which was furnished to the Civil Paymaster with Order, dated 29th August 1861, No. 1,738), that there is a saving of Rupees 17,659 in the provision made in the original Budget for the Inám Commission. They, therefore, authorize the Civil Paymaster to pass the charges alluded to in this letter against that sum. Mr. Taylor is not correct in supposing that the pay of the Dresser attached to the Commission should form a charge on the Medical Department.

(Signed) J. D. SIM,
Secretary to Government.
