Revenue Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Dated 11*th September* 1861, *No.* 1,808.

1. Resolved that the attention of the Board of Revenue be drawn to the complaints, which have lately appeared in the public prints, regarding the Stamp rules, and that they be requested to report on the same without delay.

2. The Government believe that there are only three places of vend in Madras. This number is clearly insufficient for so large and populous a town, and the Board will lose no time in increasing the number.

3. The Government observe that there is apparently some misunderstanding as to the stamping of blank paper. Such paper ready stamped of all denominations is procurable at every place of sale, and if the paper were of different sizes and descriptions, it would rarely happen that any one would wish his own blank paper stamped, instead of using that supplied by Government and immediately procurable. The Board will state also what objections exist to allowing blank paper to be stamped at the option of the public.

4. The fee named in the last paragraph of the Superintendent's notice, dated 14th ultimo, is too high, and the whole procedure prescribed in the rules seems susceptible of much simplification.

Resolved that the attention of the Bd of Revl be drawn to the complaints which have lately appeared in the Public Prints re-garding the Stamp Rules - & that they be requested to report on the same without delay -

The Govt believe that there are only 3 places of Vend in Madras - This number is clearly insufficient for the convenience & suitable

a trow - and
the Wt will like
wise tend in ev-
idencing the Num-
ber.

The Pet. states
that there is esp.
frequently some mis-
understanding as
to the stamping of
Blank papers - Such
papers ~~of~~ early stamped
of all sorts.
- Nominations is pro-
- curable at every
place of sale - &
if the Paper now of the Returns
Sigs. & Descriptions
~~were also subscribed~~
~~to the Sureties~~ it
would rarely happ.
- pen that any one

print his own papers
stamped - instead
of using Blank

Pet. and immediately
procure the. The Wt.

Objections exist to
allowing Blank
papers to be stamped
at the option of the
Justices -

The fee named
in the 14th Sect of
the Last Pet. Notice
of 14 Returns is too
high and the whole
Procedure pre-
scribed in the Rules
seems unnecessarily
of much simplifi-
cation.
