Proceedings of the Madras Government, Revenue Department, 18th September 1861.

No. 188. Read the following Proceedings of the Board of Revenue, dated 23rd August 1861, No. 4,611:—

Read again letter from the Collector of Tinnevelly, dated 12th July 1861, No. 314.

(In Cons. 17th July 1861, No. 4,417.)

Read also the following letter from the Superintendent of Marine, dated 1st August 1861, No. 2,196.

In acknowledging receipt of the Proceedings of the Revenue Board of the 25th ultimo, No. 3,979, I have the honor to inform you that I think a small Jolly boat for the guard Schooner "Emily" will be very useful, and that the sum which it is estimated to cost is reasonable. I see no grounds, therefore, for refusing the application.

1. Ordered that the letters above recorded be submitted to Government.

2. As the Superintendent of Marine states that a Jolly boat for the guard Schooner "Emily" will be very useful, and that the cost at which it is estimated is reasonable, the Board recommend that the sum of Rupees 150 be sanctioned for building a copper-fastened Jolly boat of the size and material proposed by the Master Attendant at Tuticorin, the above amount being charged to the Pearl Fishery account.
