Proceedings of the Madras Government, Revenue Department, 30th September 1861.

No. 277. Read the following Proceedings of the Board of Revenue, dated 11th September 1861, No. 4,932:—

Read again Statement of the Collector of Malabar, dated 24th June, in Cons. 13th July 1861, of the actual charges incurred on account of additional Establishments employed in Fasli 1270, My. No. 2,361.

Read also again from the same Officer, Estimate of charges proposed to be incurred on account of additional Establishments in Fasli 1271, dated 24th June 1861.

(In Cons. 13th July 1861, My. No. 2,362.)

Read also from the same Officer the following letter No. 160, dated 27th August 1861.

(In Cons. 2nd September 1861, No. 5,558.)

1. Resolved that the above papers be submitted to Government with the Board's recommendation that, under the circumstances stated by the Collector of Malabar in the above letter, sanction be accorded to the actual charge of Rupees 450-10-4 incurred in his District in Fasli 1270, on account of land Revenue Gumáshtas and Peons, and to the proposed expenditure of a further sum of Rupees 500 in Fasli 1271 on the same account.

2. The above additional Establishment was included in the Collector's estimates for Faslis 1270 and 1271, but was disallowed until sufficient explanation of its necessity should be afforded through Mr. Pelly, but as that gentleman is now absent on duty from the Presidency, the Board directed the Collector to submit the requisite explanation through them, which he has accordingly done, and they are satisfied that the extra aid applied for is absolutely necessary. The Collector's letter No. 173, dated 3rd August last, alluded to in paragraph 4 of his last communication above recorded, relates to Kumeri cultivation, and will be hereafter considered separately.

Government Order No. 607, dated 15th March 1861, paragraph 4.
Board's letter No. 4,069, dated 29th July 1861, paragraph 3.
