Proceedings of the Madras Government, Revenue Department, 1st October 1861.

No. 9. Read the following Proceedings of the Board of Revenue, dated 30th August 1861, No. 4,706:—

Read the following letter from H. A. BRETT, Esq., Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 19th August 1861, No. 145.

SIR,

1. With reference to the Board's letter, dated the 27th May last, No. 2,644, requesting me to take at once the necessary steps, if I had not already done so, to make the accommodation for Travellers at the public Bungalows on the line from Salem to the Hills as perfect as the means at my command would allow, and to apply for whatever may be necessary in the way of servants or furniture, I have the honor to state that from the 1st of this month I entertained a Maty and a Cook at each of the Bungalows entered in the margin, and to request the Board will be pleased to obtain the sanction of Government for my paying these servants at the rates specified in the Board's Circular of the 7th June 1858, No. 1,996.

Salem and Senkerrydroog.

2. The arrangements with regard to furniture in these two Bungalows were made last year, but the Board did not at that time sanction servants for the Salem Bungalows. I was not able to meet with fit persons, as soon as I received the Board's letter now acknowledged, or servants would have been sooner entertained for the two Bungalows in question.

3. I should add that the Sepoy at each Bungalow was dismissed from the date the above servants were appointed, and that a Sweeper has always been attached to each on a monthly pay of Rupees 2.

---

1. Ordered that the above letter be submitted to Government, with the Board's recommendation that the entertainment of these servants be sanctioned for one year as an experiment, their pay being charged to the Bungalow Fee fund at the rates sanctioned for the Districts generally.

2. The Collector will watch the working of the experiment carefully, and will report to the Board if he sees reason to believe that it will involve any expense to Government. The higher rate of Fee will of course be introduced from the date of the servants being employed.

3. The Collector will also report to the Board should any private individual establish an Hotel at either of these stations, as it is not desirable in any way to lessen inducements for private enterprise.
