No. 16. ORDER THEREON, 1st October 1861, No. 1,899.

2. It will be more convenient for the Board of Revenue to revise the whole of the District Income Tax Establishments, and then submit one general Statement showing the receipts and charges in each District, for the approval of Government.

In Cons. 19th August 1861, No. 5,309.

From Æ. R. McDONELL, Esq., Officiating Collector of TRICHINOPOLY,
dated 16th August 1861, No. 5.

With reference to the Board's Circular, "Miscellaneous" No. 2,744, dated the 30th May last, I do myself the honor to submit the Statement called for in the prescribed form.

2. I would here beg to remark that Trichinopoly being a large Military station, and many Europeans and East Indians residing in the town and suburbs, I considered it very desirable that the head clerk in the Income Tax department should be a man of respectability and known good character, I accordingly appointed Mr. Christinson, a trust-worthy intelligent clerk in the Hoosoor. Of the remaining three clerks, one is attached to my office and the other to the Head Assistant, and the third to the Deputy Collector, Soondarum Pillay.

3. The general supervision of the department of course devolves upon me, and the assessing of the Cusbah taluq (containing the large town of Trichinopoly and its hamlets) I reserved for myself.

4. I think that for the future the clerk attached to the Deputy Collector may be dispensed with, I would therefore propose abolishing one clerk on 15 Rupees pay. The work can be efficiently performed by the rest of the establishment. The services of the present head clerk and record-keeper cannot be dispensed with.

5. The contingent charges are small and call for no remark.

Enc. 1.

Abstract.—Return of the establishment and contingent charges incurred on account of the Income Tax department, with the total assessment and receipts of the tax during the year ending 31st July 1861, in the district of Trichinopoly.
