Proceedings of the Madras Government, Revenue Department, 2nd October 1861.

No. 27. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 21st September 1861, No. 2,654 :—

SIR,

1. The Government were pleased in their Proceedings of the 3rd July last, to award to Captain Castor, the Master Attendant at Cochin, the sum of (750) seven hundred and fifty Rupees, in consideration of the trouble and responsibility he undertook in building three guard vessels for the Tinnevelly Pearl banks. The charge was clearly one to be borne by the Revenue Department. It was, therefore, not inserted in the Marine Budget, nor does it appear to have been included in any other, and consequent on this it has been refused audit by the Civil Paymaster.

2. Under these circumstances I submitted it to the Accountant General for advice how to proceed in its adjustment. He informs me that it should be included in the Supplemental Budget Estimate of the Collector of Tinnevelly on account of the Pearl banks, but that pending the sanction thereto of the Government of India, I "should apply to Government to authorize "the Collector of Tinnevelly to disburse the amount * * * as an advance."

3. I beg to solicit orders thereon.

No. 28. ORDER THEREON, 2nd October 1861, No. 1,905.

Under the circumstances stated by the Superintendent of Marine, the Accountant General will be requested to include the above-mentioned sum of 750 Rupees in the Supplemental Budget; and pending sanction to the same, the Collector of Tinnevelly will be authorized to disburse the amount as an advance to be adjusted hereafter.

(Signed) J. D. SIM,
Secretary to Government.
