Read the following letter from E. B. THOMAS, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Ootacamund, 3rd September 1861, No. 191.

SIR,

1. I have the honor to forward an abstract for Rupees 94-11-7, being the pay of Establishment of Koondah Villages transferred from Malabar to Coimbatore, from August 1860 to June 1861, returned by the Civil Auditor under date the 7th ultimo, with a Memorandum to the effect "returned unaudited as the details in the bill do not correspond with those in the list "forwarded by the Collector of Malabar, under date the 17th October 1860," and beg to afford the following explanation on the subject.

2. On the transfer of the above villages to the Neilgherries most of the servants referred to in the enclosed copy of list, furnished by the Collector of Malabar, gave up their posts, and it became necessary to employ other persons acquainted with the customs of the villages, within the amount sanctioned by Government, under date the 21st July 1835.

3. The number and description of servants employed by me in the Koondah villages, correspond entirely with those entertained in other localities on the Neilgherries, and are essentially required to carry on the duties efficiently.

4. Under these circumstances I request the Board will be good enough to move the Government to instruct the Civil Auditor to pass the present and future bills for payment.

5. The annual payment to servants* proposed by me does not exceed the sanctioned amount, viz., 150 Rupees.

---

1. Resolved that the foregoing letter be submitted to Government, with the Board's recommendation that the Civil Auditor be authorized to pass the pay of the Establishment of the Koondah villages transferred from Malabar to Coimbatore, according to the arrangement adopted by the Collector, which does not exceed the sanctioned amount of 150 Rupees per annum. The Board, however, observe that the Collector ought not to have altered the rates of pay without obtaining the previous sanction of Government.

2. It is observed that the amount in question is included in the Supplemental Budget for 1861-62.
