No. 48. Read the following letter from R. A. DALYELL, Esq., Sub-Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 17th September 1861, No. 5,042 :—

SIR,

In submitting for the sanction of Government the accompanying Supplemental Estimate* of additional Establishments proposed to be entertained in the Salt Department in Ganjam and Tanjore, for Fasli 1271, amounting to Rupees 5,152, and exceeding the Estimate of Fasli 1270 for the same Districts by Rupees 808, I am directed to explain that the increase is divided between the two Districts, in the proportions shown in the margin,† and is caused in Ganjam by the necessity of entertaining for six months an additional Naigue and twenty Peons, chiefly for the protection of the re-opened Kotar at Munsurkotta, which it is presumed has not been provided for in the Police Department, and in Tanjore by the proposed entertainment for four months of an Amín and ten Peons for the destruction of spontaneous Salt, which has hitherto been effected through the agency of village unpaid service. The Salt in question appears to be that proposed in paragraph 14 of the Board's Proceedings, No. 3,345, dated 27th June 1861, to be utilized as suggested by the Collector, and the Establishment now estimated for may be employed in collecting it instead of destroying it, should it be practicable to do so in the present year.

No. 49. ORDER THEREON, 4th October 1861, No. 1,916.

1. The Board of Revenue have omitted to state if provision has been made for these charges in the Budget, original or supplemental. Their attention will be called to the Order of Government, dated 4th September 1861, No. 1,761, with a request to supply the omission.

2. The figures in the estimate, submitted with this letter, do not tally with those in the Memorandum of sums provided in the Budget on account of extra Establishments, which accompanied the Accountant General's letter, dated 22nd August 1861, No. 114. The cause of the difference should be explained.

Vide Order of Government, dated 29th August 1861, No. 1,131.

3. The Board ascribe the increase in the Salt Establishment proposed for Ganjam, to provision having been made for guarding the re-opened Kotar at Munsurkotta on the presumption that that Kotar has not been provided in the Police Department. Their attention will be called to paragraphs 6 and 7 of the report of the Inspector General of the Madras Police, dated 6th June 1861, from which it will be seen that provision has been made in that Department for the Kotar in question also. The Board will explain if the whole of the proposed Establishment for Ganjam will be required notwithstanding that provision.

Vide enclosures to Revenue Order, dated 19th July 1861, No. 1,441.

(Signed) J. D. SIM,

Secretary to Government.
