Proceedings of the Madras Government, Revenue Department, 4th October 1861.

No. 54. Read the following Proceedings of the Board of Revenue, dated 5th September 1861, No. 4,795 :—

Read again Tabular Report of Yaumia arrears from the Collector of North Arcot, dated 17th April 1861.

Read also the following letter from the same Officer, dated 30th July 1861, No. 181 :—

I have the honor, with reference to the Proceedings of the Board dated 4th ultimo, No. 2,892, to state that I have ascertained through the Tahsíldár of Guriattam that the services for which the Yaumia in question was granted was duly kept up during the period therein referred to.

As there is no doubt of the existence and identity of the female Yaumiadár Jeriat Bíbí, and it is reported that the services for which the Yaumia was granted have been duly kept up during the period it has remained undrawn, viz., from 12th April 1856 to 31st March 1861 ; and that the delay in drawing the allowance is attributable to disputes between herself and her Naib, and to correspondence with the Collector of Trichinopoly regarding her existence, the Board recommend that payment of the arrears due to her, amounting to Rupees 627-14-8, be sanctioned, and that the allowance be continued from 1st April last.
