Proceedings of the Madras Government, Revenue Department, 5th October 1861.

No. 58. Read the following Proceedings of the Board of Revenue, dated 11th September 1861, No. 4,939:—

Read the following letter from P. GRANT, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Calicut, 12th August 1861, No. 178.

SIR,

1. I have received Proceedings of the Board of Revenue, dated 29th ultimo, No. 4,068.

2. The employment at Patambi of a special Survey Establishment is not needed at present, as the examination of the lands in that Hobli can be carried on simultaneously with the comparison of the lands with the entries in the Maratta accounts.

3. Government in their Proceedings, dated 11th January last, No. 82, sanctioned an expenditure of Rupees 1,500 for the comparison of the holdings of the whole District with the Maratta accounts; of this amount Rupees 780 have been expended in this work in ten Táluqs, leaving a balance of Rupees 720, which is insufficient to meet the expenses attending the comparison of the lands of the remaining five Táluqs.

4. In undertaking the work of the ten Táluqs already completed, much assistance had been rendered both by the Huzúr and Táluq Establishments, and it is owing to this fact that the expenditure has been so small. In what remains to be done, however, no such assistance can be expected; now that the two Establishments have been so much crippled by the amalgamation of the Táluqs. Under these circumstances, I request that the Board will obtain sanction for an additional sum of Rupees 1,000 independent of the above balance, viz., Rupees 720; with this sum (Rupees 1,720) I expect not only to complete this work, but also the examination of the Patambi Hobli lands; both of which are likely to be finished by the end of the current Fasli.

5. The increase of revenue derived by Government consequent on the re-adjustment of the assessment of the ten Táluqs is 34,360 and odd Rupees, and I anticipate a considerable increase in the remaining five Táluqs.

6. The completion of this work will benefit Government and the Ryots.

7. An account particular of the actual expenditure on this account will be submitted on the completion of the whole work.

In anticipation of the Board's sanction, I shall include the amount, Rupees 1,000 above referred to, in the Supplemental Budget for 1861-62 under preparation.

Ordered to be submitted to Government, with the Board's recommendation that under the circumstances stated by the Collector, a further expenditure of Rupees 1,000 be sanctioned for completing the comparison of the lands of the District with the entries regarding them in the recently translated accounts.
