Proceedings of the Madras Government, Revenue Department, 5th October 1861.

No. 62. Read the following Proceedings of the Board of Revenue, dated 18th September 1861, No. 5,051 :—

Read letter from the Collector of North Canara, dated 14th August 1861, forwarding, with reference to Circular No. 2,744 dated 30th May, a return of the Income Tax Establishment and contingencies, &c.

(In Cons. 23rd August 1861, No. 5,382.)

1. Ordered to be submitted for the orders of Government.

2. The Collector proposes to dispense with the Income Tax Establishment amounting to Rupees 120, and suggests that an additional allowance of 30 Rupees be given to the Translator of his Kacheri for attending to the extra duties required in connection with the Income Tax. The Board recommend that the arrangement proposed by the Collector be sanctioned.

No. 63. ORDER THEREON, 5th October 1861, No. 1,923.

The proposed arrangement is sanctioned. It should be included in the General Statement called for in the Order of Government of the 2nd instant, No. 1,915.

(Signed) J. D. SIM,
Secretary to Government.

In Cons. 23rd August 1861, No. 5,382.

From W. FISHER, Esq., Collector of NORTH CANARA,
dated Sircy, 14th August 1861.

In reply to Circular, No. 2,744 (Miscellaneous), dated 30th May 1861, I have the honor to submit, for the information of the Board, in the form furnished, the return to be made at the close of the Income Tax year.

2. In doing so, I beg to state that the amount of Income Tax assessed within the past year does not represent the full sum due for that period.

3. I estimate that amount at Rs. 25,000, whereas the actual assessment up to close of the year, is but Rupees 21,820-13-0, the collections being Rupees 18,015-2-0.

4. This is attributable in a great measure to the conduct of the Cundapur Tahsildar, but the assessment of one other taluq (Honore) is not quite complete.

5. The charges amount to about 4 per cent. on amount assessed, and 5 per cent. on amount collected.

6. Up to the end of August, the existing establishment will be required, but by the close of the month the work in hand will be finished; and as there will be comparatively little to do during the current year, in consequence of the issue of fresh notices being unnecessary, I think that the services of the copyist may be dispensed with at the close of August, and that the head clerk may then revert to his appointment of translator, being allowed Rupees 30 per mensem, the difference between the pay of that appointment (Rupees 70), and the one he now holds (Rupees 100) as remuneration for the comparatively light duties that will in future devolve on him in connection with the Income Tax.
