MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Deputy Quarter Master General of the Army, Head Quarters, Ootacamund, 5th September 1861, *No.* $\frac{60}{207}$; *to the Secretary to Government, Military Department.*

I have the honor, by order of the Provincial Commander-in-Chief, to inform you, that the Officer Commanding the Sappers has, through the Officer Commanding the Northern Division, reported that, in consequence of the absence, within Military limits in the Cantonment of Dowlaishweram, of any spot cultivable as a Soldiers' Garden, the Europeans* of the station are unable to avail themselves of the recreation intended for them.

**Thirty-six Europeans per month on an average for the last two years.*

2. The inconvenient limits of the Cantonment are, also, pointed out, and their enlargement as suggested in the Plan accompanying, requested.

3. The present limits run across ground actually occupied by the Troops; but, this must have happened by the limits having been disregarded when the buildings were erected.

4. The extra space applied for can be had, the Collector says, at an annual cost of Rupees 48-13-3, as specified in the annexed copy of letter. The Tank spoken of is not within the limits, and need not, therefore, be considered.

5. The Provincial Commander-in-Chief recommends, that the application for extended limits, including a spot suitable as a Garden, be complied with.

From the Collector of Godavery District, Cocanada, 18th July 1861, *No. 225; to the Officer in charge of Head Quarters, Sappers and Miners, Dowlaishweram.*

With reference to your letter of the 8th instant, No. 605, and previous correspondence on the subject, I have the honor to state, that the managing Proprietor of the village of Bound has now expressed his willingness to relinquish the land consisting of 48 Acres, 33 Cawnies, and 6 Square feet belonging to that village, required for the purpose of enlarging the Cantonment at Dowlaishweram, on condition that, an annual reduction of Rupees 48-13-3 from permanent assessment, annually payable on that village, is granted to him. This is at the rate of one Rupee per Acre, the same as was granted for the land of the same village occupied in 1855—It is more than he gets now for the land, but is not in my opinion, under the circumstances of the case, too high. He claims in addition a sum of 200 Rupees being the amount expended, according to his statement, in the repairs and improvement of the Tank situated in the land in question. If the sanction of Government is obtained to this arrangement, there will be no further difficulty in obtaining the land.

ORDER, No. 3542, *1st October* 1861.

Resolved that the necessary steps be taken in the Revenue Department, for the acquisition of the land in question, required for enlarging the Cantonment of Dowlaishweram.
