No. 244. Read the following letter from Captain H. R. MORGAN, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 20th August 1861, No. 593 :—

SIR,

1. In reply to the official Memorandum from the Deputy Secretary to Government, No. 297 of 12th August 1861, I have the honor to forward a revised Tabular Statement of the Conservancy Establishment required for this Presidency.

2. I have to explain that the discrepancy in the Salem Establishment is due to its having been revised three times by the order* of Government, and by my not having included the travelling allowance of the Assistant Conservator and Overseer, which was a separate charge.

* Procs. of Govt. 7th March 1861, No. 517.
Do. 30th April 1861, No. 970.
Do. 18th July 1861, No. 1,422.

NORTH CANARA.—3. In my letter No. 578, dated 6th August 1861, I forwarded for the consideration of Government a revised Establishment for the North Canara Forests, this Establishment has been included in the present Statement; there is a discrepancy of Rupees 10, due to the fact that Government have already recommended a salary of Rupees 390 for Mr. Müller, and by an oversight I placed it at Rupees 400.

MUDUMALLAI.—4. The Board of Revenue in their late Order No. 3,727, dated 15th July 1861, paragraph 11, have laid it down as a rule that the amount required for the Establishment should be drawn on abstract in all forests under my charge. I, therefore, have included the Establishment in the Statement as sanctioned† by the Government when the Forest was worked by the Barracks.

† Procs. of Government, No. 691, dated 4th April 1860.

5. With regard to the other items of increase recommended, the cause of increase has already been explained.

6. The increased cost of the agency cannot be met out of the funds provided in the Budget, and I would propose that the amount be included in the supplemental Budget.

7 The Military pay and allowances of Officers is entered in the supplemental Budget already submitted.

8. I estimate the Forest Revenue for the year at Rupees 3,77,500, and the expenditure, inclusive of the increased Establishments, at Rupees 2,85,644, leaving a balance of Rupees 91,856, in favor of the Forest Department.

No. 245. ORDER THEREON, 21st October 1861, No. 2,014.

With reference to paragraph 6 of this letter, and pending the settlement of the question as to the increased agency required for the Forest Department, the Accountant General is requested to enter (2,300 × 12=) 27,600 Rupees in his supplemental Budget to cover the extra cost of such Establishment, the details of which will be hereafter communicated to him.

(Signed) J. D. SIM,
Secretary to Government.
