In obedience to the order of Govt. dated 26th Nov. 1860 I have the honor to state that for the 5 Survey parties sanctioned five 1st Assistant & five 2nd Assistant Superintendents are allowed, but at present the full number are not employed as will be seen by referring to the margin where a nominal list of Assistants is given.

I may also add that the senior 1st Assistant Mr. W. Beaumont is absent on sick leave to Europe.

With regard to the latter part of Paragraph 3. of the order under reply I beg to append a Memoir of what is required of a Probationary Assistant to qualify him for promotion. I would at the same time observe that it is not advantageous to the service that a Probationary Assistant should be kept in that grade after he is qualified (provided a vacancy exist) as after 6 months service his pay is reduced to Rs 150 by stoppages to repay his advance for equipment. This sum is barely sufficient to

to meet his ordinary expenses.
