Read the following letter from H. A. BRETT, Esq., Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 16th September 1861, No. 172.

SIR,

1. With reference to the Government Proceedings, dated the 28th June 1861, No. 1,279, communicated with the Board's Proceedings, dated the 2nd ultimo, No. 3,449, calling for further information regarding the paper and lamp oil used in this District in Faslis 1268 and 1269, I have the honor to submit a Statement showing the quantity of paper and oil used in Faslis 1268 and 1269; the cost value of these articles, the amount sanctioned for the same two items, and the excess expenditure incurred under these two heads above the sanctioned standard.

2. The total amount expended in excess was Rupees 1,127-4-0. Of this, the sum expended on account of paper and oil was Rupees 1,013-0-2, viz., Rupees 392-1-1 on account of paper, and Rupees 620-15-1 on account of oil.

3. The remaining sum, viz., Rupees 114-3-10, was expended on account of articles other than paper and oil. I submit a Statement showing the particulars and the sums sanctioned for each of these articles.

2. It will be seen from the Statement No. 1 forming an enclosure to the Collector's letter above recorded, that of the aggregate excess of Rupees 1,127-4-0 in the Sádirwárid charges of the Salem District for Faslis 1268 and 1269, requiring the sanction of Government, Rupees 1,013-0-2 were on account of paper and lamp oil in the proportions shown in the margin, and that the excess was altogether owing to the increased price paid for the paper and oil used, and not to a larger quantity of those articles being consumed than was provided for in the sanctioned standard Estimate.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 25th April 1861.

Read the following letter from H. A. BRETT, Esq., Collector of Salem, to J. D. SIM, Esq., Secretary to the Board of Revenue, Chepauk, dated Namcul, 21st March 1861, No. 45:—

1. I have the honor to forward a Memorandum showing the amount expended in excess on account of the Huzur Saderward in Faslis 1268 and 1269, and to request that the Board will be good enough to obtain the sanction of Government for the extra expenditure.

2. The excess in Fasli 1268 was Rupees 384-4-8, in Fasli 1269 Rupees 742-15-4, amounting in the aggregate to Rupees 1,127-4-0.

3. The increase over the sanctioned amount was chiefly owing to the enhanced price of all the different articles embraced in the Saderward account. For instance, the price of oil at the time when the fixed Saderward allowance was sanctioned for this District, was 4½ measures the Rupee; whereas the present price is only 2¼ measures a Rupee. The increase of expenditure in Fasli 1269 may also be ascribed in part to extra expenses attending the preparation of the accounts connected with the reduction of the assessment. The sum expended under that head on account of oil, ink and sundries, amounts to nearly Rupees 350.

4. In a short time I hope to submit the revised Saderward Estimates called for by the Board in their Circular, dated 20th October 1860, No. 4,982.

ENCLOSURE No. 1.

ABSTRACT.—Memorandum showing the amount expended in excess on account of the Huzur Saderward in Faslis 1268 and 1269.

Before submitting the foregoing letter for the orders of Government, the Board resolve to call on the Collector for a comparative statement showing for each item the amount sanctioned in the standard estimate and that actually expended, such information having been called for by Government in respect of other Districts making similar applications.

With reference to the Proceedings of the Board of Revenue, dated 25th ultimo, No. 2,141, calling on me to submit a comparative statement showing for each item the amount sanctioned in the standard estimate and that actually expended, I have the honor to submit the statement now called for prepared in the manner required.

Resolved that the above communications be submitted to Government, with the Board's recommendation that the excess Saderward charge of Rupees 1,127-4-0 incurred in the Salem District in Faslis 1268 and 1269 above the standard amount be sanctioned, the increase having been occasioned partly by the prices of the articles having risen since the original Estimate was framed, and partly by the extra expense attending the preparation of the accounts connected with the reduction of the assessment.
