Proceedings of the Madras Government, Revenue Department,
28th January 1861.

No. 419. Read the following Proceedings of the Board of Revenue, dated 14th January 1861, No. 258:—

Read the following letter from G. THORNHILL, Esq., Acting Collector of the Kistna District, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated Avengadda, 8th January 1861, No. 9.

SIR,

1. I have the honor to report that no rain fell during the month of December. For the *Paira* crops already in the ground, the season has been tolerably favorable and the crops are consequently in a promising condition, and in some places Bengal gram and Lamp Oil seed are still being sown.

2. The cultivation of the second crop in the Kollair islands has been commenced.

3. The Paddy and Jonna crops are being reaped. The prices of grain have increased by 2 or 3 Rupees per Pooty, since the last report, which is attributable to the export of Paddy and grain by sea from the Masulipatam port.

4. Small pox is found to a small extent in Gudiváda. Fever and ague prevails here and there throughout the District, and in some instances has proved fatal.

——

Ordered to be submitted for the information of Government in continuation of the Board's Proceedings, dated 11th December 1860, No. 5,811.
