SIR,

1. In the Revenue Contingent Bill for October 1859, submitted to the Civil Auditor for audit, the salary of two Gumáshtas in the Salt Department for September at 6 Rupees each, viz., Rupees 12 were entered, which the Civil Auditor has struck out under the circumstances stated in a letter to the Board, under date the 14th February 1860, No. 24.

2. In the above letter, it is stated "that the Civil Auditor has struck out the charge in "question for October last, included in the Contingent Bill of the Revenue Department of that "month sent to him for audit," but not the month for which the charge was incurred, viz., September. This is an error.

3. The Board in their Proceedings of the 12th March, No. 1,260, have recommended the item for the sanction of Government from October, which was accordingly sanctioned by them on the 2nd April, No. 502, and now as the sum of Rupees 12 above adverted to is standing unadjusted in my accounts, I have the honor to request you will be good enough to obtain the sanction of Government for the same in order that it may be adjusted and balance struck out from the item.

Resolved that the above letter be submitted to Government with the Board's recommendation that the Order of Government, No. 502, dated 2nd April 1860, be made retrospective from September instead of October 1859.
