From

Captain A. J. B. Preskott
Superintendent, Revenue Survey

To

H. Newill Esq^r
Director of Pub. Works

Sir

I have the honor to enclose for submission to Govt^y a priced list of Instruments originally included in the Indent which I prepared in obedience to the order of Govt^y dated 30th April 1860 but which I have omitted in the one last sent as the Chief Engineer informs me he can supply me with them from the Stores of his Dept^y at the Presidency on payment of their stock value

2 The arrangement is convenient and the cost of each article not greatly different from what it would be if procured from home direct. The advantage of obtaining these Instruments especially theodolites & chains will be apparent from the statement made in my letter of the 2nd January 1861 relative to the difficulty likely to be experienced in equipping the Survey party I therefore beg that you will obtain sanction for the necessary disbursement.

Extract of Colonel Horsley's letter referred to above is appended

Date 9th January 1861

I have the honor to be

Sir

Your most obedient servant

Richard M. Priestley Captain

Superintendent Re-Survey
