No. 116. Read the following Proceedings of the Board of Revenue, dated 15th October 1861, No. 5,636:—

Read the following Report from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk dated Vellum, 19th September 1861, No. 306, of a lapsed Yaumia in that District.

No. 1 of 1861.	Case No.	Táluq and Village, extent and value of the entire Yaumia.	When and by whom granted; name of the original grantee; Sanad or other documents in support of the grant.	Nature of the grant, charity or service; if service, nature of the duty presented by the grant.	Name of the last holder; date of his decease, and the relationship in which he stood to the grantee.	Share enjoyed by the deceased, and that held by the other members.	Family left by the deceased, and name and age of the parties, their circumstances, and means of subsistence possessed by them.	Recommendation of the Collector, and the grounds on which it is made.
1		2	3	4	5	6	7	8
Ayacut Merai Maniem allowance amounting to Rupees 27-1-0, as per Certificate No. 42. This Yaumia is a commuted money allowance granted by the British Government in lieu of a grain Maniem enjoyed by the deceased's forefathers during the native Government out of the resumed Sotantram or grain fee of 8 Mercals, deducted on account of Pagodas and Bramins, &c., out of every 100 Callams of gross produce.	No Sanad or other document is forthcoming in support of this Yaumia, and it is therefore not known when and by whom it was originally granted.	Service—carrying over his head a small wooden car during the annual feast at Tripaty.	Last holder Ramasawmy Dasery, died on the 5th October 1861. He was the nephew of one Kistna Dasery who held the Yaumia at the date of the Register, viz., 1803. The relationship of this latter to the original grantee cannot, however, be traced.	The entire Maniem enjoyed by the deceased.	1. Vencatammal, widow 30 2. Veerasawmy son..... 9 3. Rengan do..... 6 4. Male child 12 months. The family possesses no real or personal property, and is entirely dependant on the Maniem for its subsistence.	This is an hereditary grant made by the native Government, and although no Sanad is forthcoming in support thereof, still there seems no reason to doubt the validity of the grant, inasmuch as it is entered in the Register made in this Office in A. D. 1803, from a list received from the Rájá's palace. It has been proved that the prescribed service has all along been duly performed, and the widow of the last holder has stated that she will continue to perform the same by means of a paid Agent, till her eldest boy Veerasawmy attains his proper age. The undersigned, therefore, recommends that the Yaumia be continued to Veerasawmy from the 6th October 1861, and that Rupees 7-2-3, being the amount of arrears due up to the date of the last holder's death, be also disbursed.

As the service prescribed by this grant is reported to have been duly kept up, the Board support the recommendation of the Collector for the continuance of Veerasawmy from the date of his late father's decease, and for the disbursement to him of the arrears due amounting to Rupees 7-2-3.
