*Proceedings of the Madras Government, Revenue Department,
11th November 1861.*

No. 130. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 30th October 1861, No. 197 :—

SIR,

1. With reference to the Order of Government, dated the 21st instant, No. 2,018, referring for my opinion paragraph 2 of the Proceedings of the Board of Revenue, dated the 2nd idem, No. 5,315, in which they remark that a sum of Rupees 3,690 is provided in the original Budget Estimate of the Collector of Bellary under the heads of Refunds of Land Revenue and Stamps, against which amount the Civil Paymaster might have passed all Refunds to that extent. I have the honor to state that, as remarked by the Board, it is obviously impossible to foresee and estimate each item of refund separately, but under orders from Government the Civil Paymaster will not, I think, object to pass Refunds to the extent estimated by Collectors, to the head noted in the margin*

without reference to details.

2. The necessary instructions have been issued to the Collector of Bellary to pay the amount, referred to in the 2nd paragraph of the Order of Government under reply, as an advance.

ORDER THEREON, 11th November 1861, No. 2,152.

No. 131.

The Civil Paymaster will adopt the course suggested in the latter part of paragraph 1 of this letter.
